
Madison Sweet Gum Trees Need Water

At the Madison city council meeting Tuesday night, Mayor Stephen Maeras urged aldermen to contact people in their wards and encourage them to water the new sweet gum trees that were planted in the city this spring.

About 50 of the 800 trees, planted to replace those removed during the sidewalk and gutter project, are close to dying, the mayor said, adding that water may help revitalize them.

Gibson New Chairman Of GC Housing Board

Robert Gibson and Walter Pfaff exchanged offices on the Granite City Housing Authority board during an annual meeting held Tuesday evening.

Gibson, retiring vice-chairman, became board chairman, and Pfaff, retiring chairman, was named vice-chairman. David Morgan was rehired executive director for Kirkpatrick Homes housing project.

The board officers are elected for one-year terms. Tuesday's meeting was a dinner session, held at Cline's restaurant.

Boilermakers 575 Name Vannoy As President

Charles Vannoy, a machine operator, was elected president of Boilermakers Local 575, winning over five other candidates in an election held Tuesday at the Labor Temple for members employed at the A. O. Smith Corp. plant. The vote total was 968.

Vannoy, who lives at Washburn, received 381 votes, as compared to 212 for Lawrence Cassidy, 150 for Pierce, Bill Morgan, incumbent president; 145 for Carl Archer, 56 for William Tobinette and two for Clatus Jones.

He will take office in June. The current president, Warfield, was appointed by the International Union last summer when Willard Herzog was ousted from the office.

Others elected, all for three-year terms, were Eyo Magnani, vice-president; James Collins, financial secretary; Jack Brooks, treasurer; Carl Galle Jr., recording secretary; Glenn Morgan, Michael Barry and Bob Lucas, trustees, and Frank Kessler, inspector.

Veeder Is Ad Club 'Man of the Month'

Nicholas P. Veeder, chairman of the board and president of Granite City Steel Co., received the "Man of the Month" award of the Advertising Club of St. Louis at its monthly meeting Tuesday.

Although the award is designated as a monthly recognition, it is actually given only a few times each year.

In making the award, Ad Club President Edward Dody emphasized the "tremendous expansion of Granite City Steel" under Veeder's leadership and its direct benefits to the economy of the Metropolitan St. Louis area, particularly with reference to new industry which the steel company has attracted here.

Veeder, who has been with Granite City Steel Co. since 1934, was cited for "outstanding contributions to the progress and welfare of St. Louis, and for unselfish service of the highest order which has brought renewed recognition and respect to our entire metropolitan area."

Roos Reappointed To Bi-State Agency

C. M. Roos of Belleville, was reappointed to the Missouri-Illinois Bi-State Development Agency by Gov. Stratton, it was announced this week at Springfield.

Roos, who is chairman of the agency, was reappointed for a five-year term.

Vandals Hurl Gravel

Police were summoned to the East Granite area and searched the neighborhood of Henry Probes and Charles street for a group of five boys who threw gravel at a home in the 2500 block of East 27th street about 9:30 p.m. Tuesday. The boys were not located. No damage was listed on the report.

WORKER'S KIT, used in seeking new members for the Tri-City's Chamber of Commerce, is presented to Anthony Michel (left), a membership team captain, by Drive Chairman John Sedlack (right) during a kick-off breakfast Tuesday. Sixty-seven new members have been added, and the drive has been extended one week in an attempt to reach the goal of 100.

Chamber Lists 67 New Members, Extends Drive

The Tri-Cities Chamber of Commerce's brief two-day membership drive, which netted the organization 67 new members, has been extended for one week, Chairman John Sedlack announced at a meeting this morning at Cline's restaurant.

The C. of C. drive for 100 new members began Tuesday morning, and Sedlack told workers today that he was certain the goal could be topped during the one-week extension period. Some drive workers reported that prospective members had been contacted, but needed more time to make arrangements to become members. Complete reports from each of the 13 teams seeking memberships were not available, and a committee on out-of-town memberships also is expected to add to the number of new members when it reports, Sedlack said.

Of the 67 new memberships obtained as of this morning, 13 were the results of efforts by a team captained by Robert Tolbaum. Tolbaum was the interim virtual leader among those signing up new chamber members with eight. The team of Rev. Calvin Marcum is second with a total of seven new memberships. Maurice Dauter and approved by the board of directors.

Most important revision is one which will allow the chamber president additional time between the annual election meeting and the first board meeting for the selection of four board members who are appointed.

County Committeewomen Meet, Plan Banquet

Granite City Democratic committeewomen were hostesses to the county group Tuesday at the Elks club for a monthly meeting. Hostesses were the city chairman, Mrs. Lorraine Isbrecht, and Mrs. Lois Jones. Mrs. Rhea Grove, Mrs. Ola Paehe, Mrs. Virginia Cox, Mrs. Irene Snider, Mrs. Julia Lancaster, Mrs. Nellie Cross, Mrs. Josephine Reszely and Mrs. Lois Weeks.

A pot luck dinner was served to 65 ladies and 13 office holders and candidates. The second vice-chairman, Mrs. Weeks, presided over the business meeting. Plans were completed for the annual banquet at the Sportsman's club in Madison June 21. Election of officers will be held at the county court house June 7. A nominating committee was appointed to meet at the home of Mrs. Violet Skundrich in East Alton. Mrs. Adelaide Wright invited the women to Alton for the July meeting.

During a general membership meeting conducted by President Wright following the new membership reports, members voted unanimously to approve several revisions in the chamber's by-laws, as proposed by by-law revision committee chairman Maurice Dauter and approved by the board of directors.

Most important revision is one which will allow the chamber president additional time between the annual election meeting and the first board meeting for the selection of four board members who are appointed.

Solons To Ask Library Board To Slash \$82,470 Budget

A slash in the \$82,470 proposed budget for the Granite City public library is being sought by city council members who attended Monday night that efforts are being made to trim all other city department expenditures for the new fiscal year which began May 1.

The library's new budget, which was submitted Monday night along with the annual report, is \$10,455 higher than last year's budget and \$23,007 more than last year's actual expenditures of \$54,438.

However, it was learned the library board has approved 10% pay increases for the staff members who received no increases in the past two years, and the hiring of additional personnel. A driver and librarian, late this calendar year for the operation of a second bookmobile to be purchased.

The second bookmobile has been planned for several years and the board has been building a "sinking fund" and now has a \$27,591 balance, with an additional \$6,000 in the new budget to complete a fund for the purchase.

Librarian Mrs. Mary C. Knefke told the Press-Record that with the opening of new grade schools this year, the present bookmobile stops in residential neighborhoods have been eliminated, and the second machine would be used to serve the outlying areas now neglected.

She pointed out the library's

circulation in 1958-59 was 194,636 books, up 19,304 over the period year, and that of the total, 102,452 was the main library circulation and 92,184 for the bookmobile. In 1958-59, the totals were 90,549 through the bookmobile and 83,148 through the main library. "The bookmobile generally accounts for half of the circulation," Mrs. Knefke said.

Alderman Arthur Wiegner suggested the city might provide a lot and building for a branch library to eliminate bookmobile operations in the Namook area, or perhaps the librarian could also drive the vehicle and reduce the two-person staff.

The council's Finance Committee was given the task of considering the budget. Members in an effort to reduce the proposed budget, Alderman Walter Noon asked a ruling giving the council several years ago by a city attorney that the aldermen themselves could not do any cutting of the library budget, which is incorporated in the city's budget.

In the annual library report to the city, it was brought out that in the past year, Mrs. Jerry (Joyce) Walters was added to the staff as an assistant in the children's department, and Mrs. Knefke was named librarian. She had been acting librarian. The library increased its number of volumes to 52,590 with 3,217 added and 702 withdrawn during the year.

attendance, \$153 for food assistance and \$2829 for cooks, a total of \$7,128.

Billing for the approved for payment included: educational fund, \$10,803; school lunch fund, \$381; and the 1959-60 school fund, \$101,759, a total of \$116,143.

The school insurance agreement with the American Legion members will be presented to council students by Michael Leatherman Jr., a school board member and representative of the Venice-Madison Legion Post 307.

The valedictory talk will be given by Karen Rodgers, and the salutatory address will be presented by Margorie Fritter. The program will begin with the invocation by Rev. Robert C. McCarthy, pastor of St. Mark's Catholic Church in Venice, immediately following a professional of the graduates, during which the school band will play "Cruaders' Hymn."

The band will present "Highlander's Fling" by Ortone, and "America" by the school band.

The board adopted a resolution dealing with the public alleyway to the city of Madison. The property is a 15-foot-wide strip extending from an existing alleyway on the Harris school grounds to Sixth street. A similar resolution is to be adopted concerning an alleyway at the Blair school.

To Draw Up Budget

Supl. Brown was authorized to begin work on a 1960-61 budget, and a school calendar for the coming year was adopted. Classes will begin on Friday, Aug. 25, with the final day of school to be May 26, 1961. The calendar, includes 177 days taught and nine holidays.

No action was taken concerning the Madison school district's participation in Madison county school, psychological services plan, as proposed by the county superintendent.

The cost of visitations by a psychologist to the school district under the plan were estimated at \$667 a year, based on average daily attendance and a pro-rated system. Under the plan, the psychologist would provide 11 days of service to the Madison school district.

Crisis Helps Savings

Bond Sales In Area

The current international crisis may have helped the U. S. Savings Bond campaign hold this week, according to Chairman Henry Karandeff.

The campaign was held due to a lag in bond sales in recent years but from reports of major employers in the area, promoting the payroll deduction plan, indications seem to point to a successful drive, Karandeff said.

"Company employees are showing a new interest in savings bonds, possibly from patriotic appeal caused by the crisis in Paris," Karandeff said.

The drive, with the theme of "Investment in Freedom," ends tomorrow.

Graduation At Venice Grade School Tuesday

A class of 34 will be graduated from Venice grade school during a commencement program starting at 8 p.m. Tuesday, May 23, in the Venice school gymnasium.

Diplomas will be given out by Lester Olson, president of the Venice board of education, and a talk will be given at the exercises by Supl. John O. Hler, American Legion medals will be presented to council students by Michael Leatherman Jr., a school board member and representative of the Venice-Madison Legion Post 307.

Shooting Victim Is Released On Bond

Willard "Nig" Ford, 39, of State Park place, one of two men wounded in a shooting school the evening of May 9 in Norma's tavern on State Route 111 near the Lakeside airport, was released on \$3000 bond on a charge of assault with intent to murder.

Ford appeared before Edwardville Police Magistrate Earl L. Vuagniaux this morning, and a preliminary hearing was held. Ford was held in jail prior to his appearance before the magistrate, but had been detained in county jail since the shooting.

Ford was wounded three times in the chest, hip and side by 38 caliber slugs allegedly fired by Smith. Smith suffered wounds from a shotgun blast, allegedly fired by Ford, to the left side of his chest. The shooting was apparently the outgrowth of an argument between Ford, whose wife runs the tavern, and Smith over Smith's use of a private telephone in the tavern. Smith's father, William "Bad Eye Bill" Smith, of Venice, owns the tavern building.

Committee Discusses School Finances

Members of the finance committee of the Venice board of education met Tuesday night with Supt. John Pier to discuss finances for the 1960-61 school year.

Pier said the committee discussed school finances in general and did not begin work on a tentative budget. The Venice school district and teachers have not yet arrived at an agreement on teachers' salaries for the coming year.

The superintendent said today that he is to contact Thomas Foley, chairman of the finance committee, in an attempt to set a date for another meeting of the committee before the school board's next regular meeting.

Draft Registration Reminder Issued

All young men are required by federal law to register with the selective service system within five days after their 18th birthday, according to a reminder issued today from the county selective service office in Edwardsville.

The obligation to register applies not only to United States citizens but also to aliens, except a very few who are exempt by law. Most aliens must register within six months after entering the United States.

Men discharged from the armed forces must register within 30 days after discharge, unless they registered previously.

A man may register at the county office, or locally with deputy registrars in the Granite City, Madison and Venice high schools.

Anti-Pollution Survey Planned For Madison

The city of Madison will conduct a survey to discover how expensive it would be to have its own pollution abatement program, Mayor Stephen Maeras announced at a city council meeting Tuesday night.

The mayor said the city engineer, the Sheppard firm, will make the survey even though Madison still favors the pollution abatement program proposed by the East Side Levee and Sanitary district, whereby seven area cities would go together on one big project.

Madison's action was prompted by a letter from the Illinois Sanitary Water Board requesting that the city give the board a report on progress toward an abatement program, Maeras said.

Madison and East St. Louis had supported the levee district plan, apparently because other area cities and industries feel they may be able to have a cheaper program on their own.

"So while they're all deciding, the master plan is stymied because it needs the support of all before it can succeed," Maeras said.

The mayor discussed the possibility of having a joint project with Venice. In any case, he told the council that a letter would be sent to the state board explaining that a survey will be made.

In other business, Maeras told the council he had received complaints from Madison avenue businessmen that ambulances from the city's two funeral homes travel too fast through town on emergency calls. The council authorized him to contact the chief of police, instructing him to ask the drivers to go slower.

Boy Thrown Off Bike, Suffers Cut To Chin

Gary King, 13, son of Mr. and Mrs. Cletus King, 2524 Washington avenue, fell off his bicycle Tuesday afternoon and cut his chin in one of four mishaps causing injuries this week in the area.

Gary, a pupil at Central school, was on his way to a service station to get gas for a lawn mower when the gasoline container, a can, got tangled in the spokes of his bicycle. He was taken to St. Elizabeth Hospital where five sutures were applied to the laceration.

Also needing sutures for cuts suffered in mishaps were Charles Creamer, 35, of 2632 East 27th street, a cut on the right leg; James Foster, 11, son of Mrs. Jeannette Foster, 2342 (near) Adams street, a cut right thumb; and Mrs. Melba Tarpoff, 39, 41 Terrace lane, for a cut to her left hand.

American Legion Posts Hold Meeting In Venice

Venice-Madison Legion Post 307 was host to an annual Quad-City meeting of legion posts last night at the legion hall on Broadway.

After a banquet and meeting, a dance was held.

125 Will Graduate From Madison JHS On May 26

One hundred twenty-five students will graduate from Madison junior high school on Thursday, May 26, during exercises to be held in the school gymnasium. Third street and Alton avenue, beginning at 7:30 p. m. Principal Donald Purkayle said today.

Following a processional by the graduating class, the Madison grade school band will present selections under the direction of William Ledbetter. The colors will be presented by a color guard from Venice-Madison American Legion Post 307. The invocation will be given by Rev. Howard L. Lucas, pastor of the First Presbyterian Church of Madison. A vocal ensemble will sing "Beautiful Savior," followed by the presentation of American Legion awards to Kenneth Hanson.

A woodwind octet composed of Cynthia Zahny, Katie Yates, Kathleen Foley, Beverly Shanks, Phillip Fraundorf, Bill Kalchoff, Sharon Vavra and Geraldine Greenville will present a selection.

The graduating class will be presented by Principal Purkayle to Madison Post of Schools Wensel Brown, and John Bellcoff, president of the Madison school board, will present diplomas.

"Halls of Ivy," the class song, will be sung by the graduates, followed by the retiring of the colors and the benediction by Rev. Lucas.

The graduates are: Karen Adams, Sharon Arnold, Nancy Avants, Barbara Ballew, Frances Barnes, Michael Bergiel, Susan Bevil, Michael Beyer, Robert Bishop, Melba Blue, Irene Borney, Veronica Bosworth, Brenda Browning, Mary Anne Bucher, Arwin Bush, Jo Ann Russell, Magie Byrd, Patricia Byrd, Diane Byrne, Tom Chamberlain, Margaret Champion, Sharon Clark.

Man Who Issued Bad Check Here Arrested

Granite City police were notified this week that a man who issued a bad check for \$700 from First Granite City Savings & Loan Association last month on a fraudulent check transaction is in custody at Greenville, Miss., on a bad check charge.

Chief of Detectives James R. Lowder said federal agents will be contacted to determine if there was a violation of U. S. laws in the check transaction here. If not, he will advise the local company to confer with the state's attorney's office on the issuance of a warrant.

The man appeared in the local loan firm's office and opened a "church" account with a \$2000 check drawn on an East St. Louis bank. He then decided to withdraw \$700 and was given a new check which he promptly cashed in ordering articles of clothing from a local store.

Chief Lowder said the man used a name of "Rev. Emerson" in carrying out the transaction here, and that he is known to be a bad check passer.

Unions To Aid Girl Scout Fund Campaign

Delegates to the Tri-City Trades & Labor Council are to present to the various local requests from the Tri-City Girl Scout Council for contributions to the \$30,000 Camp Lakota fund drive. Alex Schenboffer, member of the Girl Scout Council and chairman of the drive, made an appeal to 50 delegates present at the Labor Temple for last night's Trades Council meeting.

Schenboffer presented a proposal of a 50-cent donation from each union member to go along with contributions from industry and business. The Girl Scout Council has set the drive deadline for May 31. Funds will be used to continue and expand construction of facilities at the Camp Lakota site near Glen Carbon.

The Trades Council delegates also heard a report on current salary negotiations from representatives of the Granite City Federation of Teachers, and authorized President Edwin Reiske to confer with State's Attorney Dick H. Mudge Jr. on means of halting solicitations of advertising from local merchants by four publications from other cities, posing as labor papers.

Reiske said the publications have not been endorsed by AFL-CIO labor organizations.

Minor Fire Alarm

Granite City firemen from the Nameoki road station were called about 11 p. m. Wednesday to the home of Mrs. May Kester, 2806 Nameoki road, because of a short circuit in a radio set. No loss was reported.

McCullough Inquest Awaits Autopsy Report

Waiting for an autopsy report from a St. Louis doctor, Deputy Coroner Henry Pieper has not yet set the inquest time for the case involving August McCullough, 32, of Maryville. McCullough was dead on arrival at St. Elizabeth Hospital late last Thursday night after the car he was driving plunged off the highway into a barn on Bypass 40 south of Edwardsville.

An autopsy was ordered by county authorities after it was learned that McCullough might have been in a fight in a Granite City tavern shortly before the wreck and that he had suffered a severe head injury in an accident four years ago. Both factors might have had something to do with the cause of the accident, county law officers maintain.

It was originally thought that McCullough had fallen asleep at the wheel.

When Napoleon became Emperor of France he realized enough to hold a plebiscite. The "popular" vote was 3,552,329 in favor, and 2,559 opposed.

About This Question

The walls were up and the roof on a new home in our block. That night during a windstorm we heard a crash. The new home was a mass of twisted beams and boards. Is there insurance to protect a builder from such a loss?

Warriors To Meet East St. Louis For Regional Title

GC Nine Seeks 18th Win, Revenge For 1-0 Defeat By East St. Louis

Granite City's baseball team, which meets East St. Louis here at 4 p.m. today for the regional championship, is hoping to follow the same pattern of the basketball squad — which went all the way to the super-sectional before being eliminated in the state championship race in March — plus three more wins. The basketball Warriors defeated teams in the regional and sectional tournaments which had beaten them in regular season games, and Joe Fedora's nine has been doing the same thing. Last week, Granite City defeated Collinsville for the district title to gain revenge for an earlier defeat. Today's game with the Flyers finds the Warriors in the same situation. Early this month, East

"We're going to have to break out of our hitting slump to beat them," Fedora said. "East St. Louis is a good hitting squad but I'm confident Holder can hold them if he pitches as he is capable of doing."

Fedora plans to use Dave Doudin as his first line relief hurler should Holder get into trouble, and would use Bob Price or John Rains after him.

The championship game was originally scheduled to be played yesterday, but the sudden shower at 1:30 p.m. made the diamond too wet for a championship game.

Only one regional final in this area was played this week. Yesterday at Belleville, Valmeyer defeated O'Fallon 8-3 on the only regional diamond which could be put into shape for an IHSA game. Valmeyer thus became one of the four teams which will advance to the Staunton sectional.

Granite City advanced to the final game with the help of

Wood River errors and the solid five-hit pitching of John Rains as the Warriors downed the Oilers 8-0 Tuesday afternoon.

Wildness by Wood River starting Pitcher John Heck and five errors gave Fedora's nine five

unearned runs in the first inning. Heck hit the first two Warriors batters, Larry Diak and Rich Williams. Don Dillard walked and a comedy of errors began. After two throwing errors and three fielding errors, Granite City had all the runs it needed. In the fifth, the Warriors strangled two more when Bob Price hit a home run and Bob Hoffel tripled and scored on Rains' sacrifice fly. Granite City added another in the next inning on Williams' pop fly double and Dillard's single.

For the game, the Warriors made only six hits but played errorless ball while Wood River committed seven errors. Rains struck out eight batters and walked only three.

East St. Louis advanced behind the three-hit pitching of Bill Moder as the Flyers downed Western Military Academy of Alton 7-0 on diamond No. 2 Tuesday.

AND ONE MAKES EIGHT. Rich Williams crosses the plate with Granite City's final run during the course of the Warriors' 8-0 shutout win over Wood River Tuesday in a first-round regional high school baseball game at Wilson Park. Williams scored on a single by Don Dillard. The Oiler catcher is Larry Priest.

400 GC Grade School Girls Compete In PE 'Sports Day' Program Tuesday

Approximately 400 girls from Granite City grade schools competed Tuesday afternoon in an elementary schools "sports day" program in the Frohardt school, taking part in 20 separate track and field events. A similar "sports day" for grade school boys was rained out Monday afternoon and has been rescheduled for next Monday.

Competing students qualified for the program by placing in similar events conducted earlier at the schools they attend. During the Frohardt meet, they were grouped for competition according to height, weight and age.

Events selected were those used in the "Youth Fitness" tests, given earlier this month to all students in Granite City public schools aged five through nine. Participants included girls in the fifth and sixth grades from 14 Granite City schools.

Over 100 ribbons were presented at the conclusion of the

events by Dr. Harold Kaiser, superintendent of schools. The meet was supervised by Granite City physical education teachers, with Glenn Hastings as "sports day" chairman. Other participating teachers were Barbara Kerch, Gary Froender, Elizabeth Kettler, Ed Bano, Ira Winn, Dave Beiser, Margaret Roberts, Jack Mulach, Sandy Bowler, Jean Holder, Art Menendez, Bill Kosky, Allen Brueggeman and Bob Stegmeyer.

Events, divisions, first place winners, their schools and the best times in the events are listed below:

50-yard dash: group 4, Ginger Briggs, Frohardt, 8.5; group 3, Phyllis Berger, Mitchell, 9.9; group 2, Penny Livesay, Maryville, 9.5; group 1, Joyce Richardson, Mitchell, 9.9.

4 Attend Seminar On Hospital Insurance
Four persons from St. Elizabeth Hospital attended a seminar on the Blue Cross and Blue Shield plans at Pere Marquette state park today.

Attending from here were Sister M. Frances, hospital accountant; Mrs. Louise Brannell, insurance clerk; Mrs. Catherine Wittevergel, admittance clerk; and John Bresnahan, accounts counselor for the hospital.

Shuttle run: group 4, Ginger Briggs, Frohardt, 8.5; group 3, Phyllis Berger, Mitchell, 9.9; group 2, Penny Livesay, Maryville, 9.5; group 1, Joyce Richardson, Mitchell, 9.9.

Union Starch Co. Builds, Donates Park Flag Pole

Park Flag Pole

The new flag pole which is to be erected in Wilson Park in time for opening ceremonies and the first game of the season in the Granite City park district leagues on Saturday afternoon is the result of combined efforts by a number of people in various departments at the Union Starch & Refining Co. plant here.

The 55-foot pole was completely fabricated at Union Starch. Employees in the pipe, machine, blacksmith, welding and paint shops, working on company time under the direction of Master Mechanic John Konarick, completed the job Wednesday.

A United States flag presented by Veterans of Foreign Wars Post 1300 will fly atop the new pole, which will be set in concrete and will extend 50 feet above the ground.

Rain Postpones Softball Openers; To Play Friday

With season-opening games of Monday, Tuesday and Wednesday rained out and those originally set for tonight already canceled, the Granite City park district softball leagues will attempt to get the first games of the year into the books Friday.

night, park Recreation Director Harold Brown said this morning.

Class "B" league action is scheduled Friday, with Farm Fresh meeting the Graniters at 7 p.m. and GC Steel Credit Union playing Lincoln Place at 8:15 p.m.

There are no games set for Saturday, but Slow Pitch contests due to be played Monday include a VFW Post 1300-Namooki Presbyterian Church encounter at 7 p.m. and a meeting between City Auto Repair

and Bethel Community Church at 8:15 p.m.

Brown said the eight games postponed this week will be played at a later date, but that no makeup schedule has yet been arranged.

Park district Little League baseball is scheduled to begin Saturday, and a meeting of persons interested in umpiring in the leagues this year will be held at 7:30 tonight in the park district office.

Shells Win Midwest Conference Track Meet; Madison Finishes 4th

Roxana high school runners established a new conference record in the mile relay yesterday afternoon, and the Shells' first place in the event enabled them to nose out Cahokia for the 1960 Midwest Conference track title in Roxana, 73-71.

The meet, postponed twice earlier this month because of wet weather, was run off yesterday "between showers." Duplo finished third with 22½ points, Madison fourth with 12, Chicago Memorial fifth with 9½ and Highland sixth with 2 points.

Cahokia trailed Roxana 67-68 before the mile relay, final event of the meet. The Shells turned in a winning time of 3:54.5, breaking the old record set by Madison in 1955.

Madison's finish was disappointing to Coach Charles "Buddy" Mueller, who lost his ace broad jumper and dash man

Roan's Head Seasons Of Two Area Squads

Rain ended the regular seasons of two area athletic squads Wednesday.

Granite City's tennis squad, coached by Dick Harmon, finished with a 6-1 duet record after a contest at Roxana was canceled. The Warriors will send David Moss, Max Prusak and Virgil Kirkley to the state finals this weekend.

John "Toxcoff's" Coolidge basketball team, plagued by bad weather perhaps more than any other area squad, had a game with Collinsville canceled and ended with a 3-2 record. The Braves were minus several key players, including the Collinsville contest three times.

Local Man Granted 3 Years Probation

Marvin Doyle Baker, 32, of Granite City, was granted probation for three years in an order handed down this week at the Edwardsville by Circuit Judge James O. Monroe Jr. Baker, who was charged with burglary and larceny last January, appeared for a probation hearing last Friday.

He was indicted for a break-in netting approximately \$30 at Miller Provision Co. in Madison. Also charged with the break-in was Frank Martin Stark, who was sentenced to the state penitentiary last month.

Coolidge Net Team Ends Season With Unbeaten Record

Bob Whelan's Coolidge tennis squad finished the season with a perfect 7-0 record and a 19-match winning streak over a three-year period by downing Edwardsville in the rain 5-0 Wednesday on the 19th at courts.

Mike Barnes downed Gerald Blase 6-1, 6-1. Bill Logan topped Dean Hutchinson 6-0, 6-1 and Bob Karandjoff defeated Jim Stegman 6-0, 6-0 in the singles. The Coolidge doubles teams had a tougher time, with John Odell and Mike Mullen nipping David and Richard Heine 6-4, 9-7 and Bill Kasberg and Bob Lancaster defeating Jim Stack and George Gung 3-6, 7-5 and 6-0.

Madison Bridge Loan

(Continued from Page 1)

warned the Rotary club that the alternative could be that the city would "become stalemated, or even a 'dead city'."

Police Exceed Debt

The \$500,000 loan from the bridge account was authorized by three fiscal agents on behalf of bridge bondholders because the available bridge funds exceeded the \$764,000 bond debt. \$400,000 on the original \$2,300,000 bond issue and \$364,000 on the \$850,000 bond issue of 1951, Maera said.

With the Chemical Bank and New York Trust Co., American National Bank and Trust Co. of Chicago and Continental Illinois National Bank and Trust Co. of Chicago approving, a half-million will be advanced and then deducted from the amount conveyed to the city in 1963.

The mayor listed approximate costs related to the drainage program as \$1,200,000 for trunk lines, \$500,000 for laterals and \$750,000 to be spent by the federal government in constructing a sewage pumping station. He said the East Side Levee and Sanitary district board has agreed to finance about \$1,000,000 of the cost.

Madison Avenue Work Soon

Widening and resurfacing of Madison avenue is "all set" and work should begin soon, with the state financing 75% and the city 25%, he reported. The crews will concentrate on one block at a time to prevent traffic problems and to avoid "penalizing the business people," he added.

The mayor related that the city and state received \$25,000 from the Illinois Terminal Railroad and state funds worth about \$12,000 toward the cost of trolley rail removal, and added that the city is negotiating with Illinois Power Co. on the estimated \$15,000 cost of re-locating highway street lights when sidewalks are narrowed to afford room for four traffic lanes, two parking lanes and median strip.

Briefly discussing city finances, he said 32% of the city revenue comes from the bridge, 19% from sales taxes and the remaining 55% from property taxes, license fees and fines.

Granite City PRESS-RECORD

Thurs., May 19, 1960 Page 9

Maera told the council that State street resurfacing will begin as soon as weather permits, and \$100,000 will be spent on city streets damaged during the severe winter weather.

Spraying Planned

Street Supt. Stanley Lucas will start spraying for mosquitoes as soon as the rains stop. It wouldn't do any good for us to spray and then have a rain shortly afterwards clear the air," Maera said.

The mayor re-appointed department heads for 1960-61 and they were approved by the council. Those named were Police Chief Barney Fraundorfer, City Comptroller E. Miller, Supt. of Streets Stanley Lucas, Corporation Counsel Austin Lewis, City Attorney Nick Vasilev, Director of Civil Defense Harry Johnson and Bridge Supt. Cecil Dant.

Others appointed were: police pension board member for a two-year term, Anthony Conroy; library board, three years; Mrs. Ruth Fogle, Mrs. Sarah Purcell and Mrs. L. C. Harlan; board of police commissioners, three years; Stanley Krakowicz; and playground and recreation board, five years, Claude Chohols.

The council approved payment of city bills totaling \$9772 and \$33,066 in bridge bills which included \$25,151 in Illinois real and personal taxes and \$4953 in salaries.

The oldest flower believed known to man is the rose. Fossil remains of the flower, unearthed in Oregon, were estimated at being 35 million years old.

Brownies present were Laverne Prill, Pamela Britton, Patty Jacobs, Susan Krohn, Janice Upton, Donna Upton, Betty Joan Smith, Susan Ringering, Margaret Wilkerson, Betty Handelder and Jacquelin Nickles, and others attending were Mr. and Mrs. Kenneth Britton and daughters, Mr. and Mrs. Leslie Wilkerson and sons, Mr. and Mrs. Handelder and daughters, Mrs. Juanita Nickles and children, Mrs. Betty Smith, Mrs. Evelyn Ringering and son, Mr. and Mrs. Laverne Prill and children, Mrs. Helen Jacobs, Mr. and Mrs. William Upton and children and Mr. and Mrs. Carl Krohn and son.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, 4053 Lake drive. The boys answered roll call, sang, practiced a play for the pack meeting and checked achievements. Michael Norton told a story.

Refreshments were served to Daniel Hill, Gary McDonald, Dennis Bringer, Herb Williams, David Dayton and Michael Norton.

HOME FROM HOSPITAL

Otto Kreher, 3908 Lake street, returned home Monday from St. Elizabeth Hospital. He had been a patient there 10 weeks.

Den Two of Cub Pack 23 met Monday with Mrs. Evelyn Ringering on Rural Route One. The birthdays of John Paul Watson and Russell Hamilton were celebrated. A large decorated cake with candles centered the table.

Each boy received a favor, and ice cream was served. Games were played. Those present were Charles Ringering, Jerry Senior, Ronnie Wilson, Johnny Nemmer, Robert Fisk, Den Chief Leslie Allen Hall and a guest, Susan Ringering.

Brownie Troop 31 met Tuesday evening with Mrs. Corrine Kreher, 3949 Lake street, assisted by Mrs. Florence Deatherage. The girls discussed their fly-up investment June 1, marked a singing song and played a new game. Present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Becky Blackburn, Janis Melnic and Cheryl Fisk.

The Canasta club met Tuesday evening with Mrs. Evelyn Smith. Prizes went to Mrs. Martha Anderson and Mrs. Evelyn Smith. Others present were Mrs. Olive Canaway and Mrs. Juanita Spence. Refreshments were served by the hostess. The club will meet in two weeks at the home of Mrs. Anderson.

Den Six of Cub Pack 23 met Tuesday with Mrs. Ethel Gettleman, 4032 Garden lane. The boys made leather pen and pencil holders and sheath knife holders. Den Chief Harry Briggs reported of his experiences at camp. Refreshments were served to Alma Gene Gettleman, Phillip Martin and Briggs.

OVER 21 CLUB MEETS

The Over 21 club met Monday evening in the home of Mrs. Pat Selner, 2002 Twelfth street. Games were played and Mrs. Dorothy Rutan and Mrs. Florence Borders shared high honors.

Mrs. Selner served a late dessert course to the winner Mrs. Kathleen Hele, Mrs. L. na Johnnesse, Mrs. Mary Feurka, Mrs. Pena Shookman and Mrs. Mary Doran. The next meeting May 23 will be in the home of Mrs. Doran, 4123 Rode avenue.

CALIFORNIA VISITORS

Mr. and Mrs. Emerson Roche, uncle and aunt of A. W. Orr, 2241 Waterman avenue, visited the Orrs briefly earlier in the week on the way from their home in Van Nuys, Calif., to Pennsylvania.

GC Rotary Planning Second Benefit Horse Show Aug 28

A bigger and better all-western horse show is being planned by the Granite City Rotary club for Sunday, Aug. 28, it was announced today by Dr. E. L. Ackerman, president, and B. E. Moody, general chairman of the show.

The club's first horse show, held here last summer, proved to be the largest of the approximately 30 shows conducted in 1959 by clubs in the Illinois-Missouri Western Horse show Association. Now, even more ambitious plans are being made.

With 160 horses and riders entered last year, the Rotary club hopes to attract over 200 entries at the second annual show. Expressing pleasure at the unexpectedly large turnout of 3500 to 4000 last summer, the sponsors envision an even larger attendance, possibly 5000 to 6000.

In seeking to increase the receipts, the club again is scheduling all proceeds for its Home Show-Horse Show benefit fund from which many charitable projects have been financed.

Since the depositing of proceeds from the initial horse show into this fund, the club has spent \$1500 to equip the

local mental health clinic with furniture and has purchased an organ for Granite City high school and its vocal music department.

More benefit work, including additional aid to the mental health clinic, is being planned.

Moody, long active in horse shows and exhibits, represents the Granite City Rotary Club Horse Club at monthly meetings of the Illinois-Missouri Association and will handle most of the pre-show arrangements. Committees composed of all members of the Rotary club will be formed to conduct the show.

Fence, More Bleachers
Several improvements are to be made over the accommodations for the first show, Moody reported.

A wire fence will be erected to afford added protection for spectators, and additional bleachers are to be installed at the Fehling road-Nameoki road location. Space for parking will be increased.

The parade class, a colorful event that highlighted last year's show, again will be conducted, along with a varied assortment of riding competition and speed races.

SILVER JUBILEE of Rev. R. C. McCarthy, pastor of St. Mark's Catholic Church, Venice, was celebrated recently at the church. Those in the front row (left to right) are Rev. Michael Kearns of Greenville, deacon for the anniversary high mass conducted by Rev. McCarthy; Most Rev. William A. O'Connor, bishop of Springfield; Rev. McCarthy; and Rev. Michael Henahan of Staunton, sub-deacon. Those in the second row are Rev. Frank O'Hara (left), toastmaster of the banquet, and Rev. Carl Schmidt (right).

SOCIETY

GC Steel Women's Club Elects

The Women's Club of the Granite City Steel Co., held a monthly meeting and dinner Tuesday evening in the employees cafeteria, followed by an election of officers.

Those elected were Shirley Hoson, president; Ruth Rasmussen, vice-president; Mary Alice Barich, recording secretary; Grace Heth, corresponding secretary; Mary Kristian, treasurer.

Entertainment following the business meeting consisted of a take-off on the TV program "Queen For A Day" with the contestants picked at random from the group. They were Gerry Brooks, Marilyn Wondra, Irene Spillers, Brenda Libbert, and Mary Ellen Keel. The latter was elected "Queen" and presented with a corsage of pink roses, a philodendron plant, a Queen Elizabeth pill box, jewelry and a box of candy.

Decorations were paper crowns with multi-colored streamers serving as centerpieces on the tables, with the exception of the head table which was decorated with flowers, a question mark and crowns and with favors carrying out the queen theme.

The program committee in charge of arrangements for the party consisted of Betty Butch, Vicki Blume, Betty Hinson, Judy Humber and Verna Lengyel.

Miss Buente Selected For Student Tour Of Europe

Miss Barbara Buente, daughter of Mr. and Mrs. Arthur F. Buente, 2636 State street, a member of Zeta Tau Alpha chapter at the University of Illinois in June, has been selected to take part in the Central European tour program of the United States National Student Association, Educational Travel, Inc., New York, in Europe this summer with college students from all parts of the country.

Miss Buente will leave for Europe June 20 and will return Aug. 22. Some of the countries to be visited on the tour are Holland, France, Italy, Switzerland, England and Germany.

Each college student going abroad with the USSNA is part of an international student community that travels throughout the world each summer. The programs are arranged by students for students, and are selected by European guides who are foreign university students or professors familiar with their country's art, history and music. Over seven thousand students have traveled with the National Student Association in the past twelve years.

Throughout Europe there will be informal contacts with foreign students, teachers, professors, businessmen and government officials with the mutual exchange of viewpoints concerning life in their respective countries in the form of discussion groups. In this way the participant can be an informal "diplomat" in a foreign country.

Reports on the state convention of the National Student Association will be given by students, teachers, professors, businessmen and government officials with the mutual exchange of viewpoints concerning life in their respective countries in the form of discussion groups. In this way the participant can be an informal "diplomat" in a foreign country.

On board student ships, daily orientation programs will be given by top university professors lecturing on many subjects. Accelerated language classes will be conducted for those wanting to learn some simple, every day phrases.

Also available will be lectures in art, economy, history, political science and music. On commercial ships the students will have the opportunity of participating in numerous daily activities sponsored by the ship's staff, but orientation meetings will be organized on a much smaller scale.

The USSNAETI programs are planned for students wanting to wish to get better understanding of the young people of the countries they will travel.

Will Tour Europe
Miss Barbara Buente, daughter of Mr. and Mrs. A. F. Buente Jr., 2636 State street, who will leave June 20, following her graduation from the University of Illinois.

TRI-CITY GROCERY CO. will open its largest store tomorrow at Belleville. The upper photo shows the exterior of the modern building with cantilevered concrete canopies and a portion of the large parking lot which has a capacity for 500 autos and enough space to hold several football games at one time. The canopies for the 35,000 square foot store extend 25 feet out from two sides of the building. Tom Studebaker Construction Co. was the contractor.

A highlight of the store interior is a spacious entrance foyer with a customer lounge and spray fountain surrounded by flowers, shown in lower photo. There also is a snack bar for customers near the 11 checkout stands, and wide aisles for easy shopping. The rear of the building contains meat and vegetable preparation areas of 3200 square feet, and the storeroom is serviced by conveyors.

GC Board To Consider Letter From Local 743

A letter reporting rejection of the Granite City school board's salary proposal for 1960-61, has been received by Supt. Harold M. Kaiser from Local 743, American Federation of Teachers, it was learned yesterday.

The rejection is to be discussed by the board at a semi-monthly meeting next Tuesday night.

Trips To Appoint Assistant Next Week

Despite reports involving a Madison principal, County School Supt. Wilbur Trimpie has not yet reached a final decision on who to appoint as assistant county superintendent, he told the Press-Record yesterday.

Trimpie said he expects to make an announcement next week on a successor to Assistant County Supt. Russell Shaver, who has resigned.

DINNER HONORS MOTHERS

The Women's Missionary Society of the Free Methodist church enjoyed a mother-daughter banquet Monday night at the Grand Cafe. Pearl Lynn was honored as the oldest mother, Mrs. Pearl Atkins as the youngest, Myrtle Lynn as the oldest daughter and Nancy Proffitt as the youngest daughter.

Mothers and daughters present were Mrs. Viola Atkins and Elaine, Mrs. Gertrude Loretz and Barbara, Mrs. Deloise Mount and Pam, Mrs. Betty Proffitt and Nancy, Mrs. Gertrude Atkins and granddaughter, Mrs. Pearl Atkins. Those who "adopted" daughters for the evening were Mrs. Vera Lynn and Diane Robinson, Mrs. Mildred Proffitt and Susan Harris, Mrs. Luella Banding and Judy Beary, and Mrs. Donna Loretz and Ruth Jarman.

HERE FROM CALIFORNIA

Mr. and Mrs. Leroy Keel and children, Wanda and Jimmy, of Nemo, drive had as guests Tuesday an uncle and aunt, Mr. and Mrs. Fred Cross of Modesto, Calif.

Intermediate Girl Scout Troop 109 enjoyed a costume party this week, with each girl and leader dressed as a small child. Karen Farley and Pat Mitchell received prizes for the most outstanding costumes. Refreshments were served to Mrs. Minerva Coffman, Mrs. Revan Turner, Pat Coffman, Sharon Hancock, Linda King, Terry Frith, Phyllis Hagnauer, Betty and Bonnie Black, Kathy Cox, Carolyn Harmon, Peggy Jackson, Phyllis Wright and Carolyn Lewis.

FOURTH BIRTHDAY

The fourth birthday of Kevin Cooper was celebrated Monday with a party given by his mother, Mrs. Ralph Cooper, 740 Twenty-seventh street. Games were played and prizes were awarded to Karen Yeager, Jimmy Keel, Pamela Cooper and Scott Harrison. Refreshments were served to Raymond and Kenny Benson, Bruce Harrison, Denny Ferguson, Alice, Suzie and George Yeager, Terry Slaton and Chester Walton.

The Sunbeam band met Tuesday at Bethesda Baptist Church with Mrs. Margaret Luffman and Mrs. Ivy Sullivan. Songs, Bible verses, stories and games made up the program. Those present were Linda and Brenda Sullivan, Donald and Robin Smith, David Robinson, Kathleen and Gene Fitzhugh, Clinton Lewis, Brenda, Larry, Jerry Dale and Jackie Jones and a visitor, David Robinson.

Brownie Troop 51 met Tuesday at Logan school to practice presenting the flag for the monthly PTA meeting tonight. Present were Judith Anderson, Sharon Proffitt, Kathy Carney, Sharon Althea White, Tynia Poe, Lynda Loar, Debbie Westbrook, Kathy Soehling, Kimberly Scheffel, Debbie Seebold, Janet Stoppeck, Mrs. Lillie Anderson and Mrs. Betty Proffitt.

The Brotherhood of the Bethesda Baptist Church met Tuesday at the church. The lesson was on "Christian Layman." Present were Rev. Austin Fisher, Clarence Hagler, Woodrow Gibson, Alvorn Smith and Leo King.

Mrs. Leo G. King of Birch avenue underwent a major operation Tuesday at St. Elizabeth Hospital.

Twilight Optimists To Send 2 Boys To Camp

The Twilight Optimist Club will sponsor two boys for the annual "Sports Camp" scheduled for June 14 through Aug. 5, in Wilson Park. It was decided at the club's meeting Monday at the Rose Bowl. An election of officers was held, with Charles Meyer named president.

Although the club will provide the financial backing, the actual selection of boys will be made by two welfare organizations, Catholic Charities and Protestant Welfare.

The club also discussed a commercial booth in Wilson Park during the July Fourth celebration to raise money for summer activities for the Junior Twilight Optimist Club. The Junior club members, all grade school students, will man the booth if the project is approved by the parent organization. However, no action was taken at Monday's meeting.

Meyer will succeed Robert Toburen as president and will be installed in June. Other officers elected were Dr. Stanley Maer and A. L. Metcalf vice-presidents, Gerald Rosenberg, secretary, James Malottki, treasurer, and Albert Kutera, sergeant-at-arms.

Receives Scholarship At SIU Convocation

Joan Lanahan, daughter of Mr. and Mrs. Leroy F. Lanahan of 2523 Benton street, was one of 75 Southern Illinois University students who received special awards, prizes and scholarships at the annual Honors Day Convocation on the SIU Carbon-

dale campus this morning. She received a \$400 scholarship from the Granite City Scholarship Foundation. The special prize winners were among 233 students honored for outstanding scholastic achievement maintained throughout the entire school year. SIU President Delyte W. Morris made the scholarship and prize awards.

**There's NO
Mystery About MEAT!**

One of the biggest problems in a meat department is to find out just exactly what the customer wants. For instance, years ago when my wife asked her favorite butcher for a pot roast, he knew she wanted some beef cut up in cubes like a stew, which he sold her. It wasn't a pot roast at all. She might have asked for prime quality, which she did not really want. It was too fat, too much loss, not at all economical. She actually was satisfied with "good" quality. Today, the modern housewife does not have to ask for her favorite cuts. It is waiting for her in our self-service cases.

In our beef department, we handle mostly "choice" and "good" grades. Occasionally we have customers who want to have one of those special parties, and order some "PRIME" steaks or roast. They usually are too fat and the price is atrocious, BUT, they certainly are tasty and tender. Too rich for my blood, however, can't afford them! Our meat managers will be glad to spend some time showing you the various grades and explaining how they are cooked, and difference in price. Will you ask?

candlelight fly-up ceremony at the Mitchell school Monday evening. The flag-bearers were Sharon Howland and Venita Lee, caller was Mary Alice McKay and color guards, Martha Wiser, Mary Kay Holiday, Gerry Winters, Linda Green, Ruth Ann Richardson and Sandra Harmon.

The leader, Mrs. Gladys Green, presented each girl with a gift. Mrs. Bernice McKay assisted the leader, and refreshments were served to the girls and their families, who were guests.

The Junior high fellowship met at the Mitchell Presbyterian

Church Sunday evening under the direction of Mrs. Beulah Digiacoma and Mrs. Bernice McKay. The moderator, Nancy McKinnon, was in charge and the meeting opened with prayer by Mary Alice McKay. The opening song was "Dare to Be Brave". Games were played and refresh-

ments were served. A social time followed.

All-day quilting was held at the Mitchell Presbyterian church Tuesday. A potluck dinner was served to Mrs. Fern Whyers, Mrs. Ora Phillips, Mrs. Emily Jones, Mrs. Bernice McKay and

son, Mrs. Gerry Howard and daughter, Mrs. Beulah Digiacoma and daughter, Mrs. Ida Hanfelder, Mrs. Agnes Butler, Mrs. Avalon Young and Rev. John DiGiacoma.

PRESENT CUB AWARDS

A monthly meeting of Cub Pack Three of St. John United Church of Christ was held Tuesday in the recreation room at the church. The opening ceremony was led by Den Six, and the meeting was called to order by Cubmaster Jack Lehne. Eighty-three attended.

Den Four presented a three-act play and Den One presented a short play, with songs presented by the other dens.

Group singing was enjoyed, and awards were presented to John Beresky, John Gage Jr., Vincent King, Robert Chapman, Terrell Godwin, David Walker, David Judeman, Edward Weston, Billy Tegel, Gus Lignoul, Charles Townsend, James Fitzpatrick and Richard Rose.

A business session was conducted by Lehne, who announced prospects of a June winter camp, a July camporee, August watermelon supper and a trip to Bush Stadium. A parent review party for parents of new cubs is to be held some time in June.

Lehne closed the meeting with verses for cubs and parents, and refreshments were served by Dens Two and Four, with Mrs. Labarey and Mrs. Fitzpatrick in charge.

PLAN PACK TOUR, PICNIC

A committee meeting of Cub Pack 122 of the Wilson Avenue school was held Monday evening in the all-purpose room at the school. Committee Chairman Gene Buzan and Cubmaster Floyd Fitzpatrick were in charge.

Plans for a picnic July 23 were discussed, as well as a tour through the Engineer Depot and the Chain of Rocks Canal locks in June. Grant's Farm in St. Louis was suggested for an August visit.

Ray Duke reported on paper drives held on the second and fourth Saturdays of each month. It was reported that a "traveling buddy basket" program is in progress in the neighborhood. A basket with a pie or cake is given to a family, which takes the pie or cake, bakes another to replace it and passes the basket on.

Mrs. Beverly Singleton and Mrs. Lillie Loar served refreshments to the above and Mrs. Pat Fitzpatrick, Jerry Singleton, B. J. Rodgers and Jack Nelson.

RUTH CLASS MEETS

The Ruth class of Calvary Baptist Church met Tuesday evening. Fresh cut spring flowers centered the tables for a pot luck luncheon.

Mrs. Hattie Marler presided over the business meeting, which opened with prayer offered by Mrs. Unice Taylor. Birthday gifts were exchanged by the above and Mesdames Lucy Dickerson, Pauline Travis, Sarah Thompson, Doris Schepers, Ruth Connors, Nellie Hart, Eugene Ryan, Gerrie Wood, Kate Stafford, Sue O'Masters and Goldie Ritchie. The class adjourned to a funeral home.

Hostess for June 21 will be Mrs. Hart.

Den One of Cub Pack 122 met Tuesday with Mrs. Beverly Singleton, 2812 Edgewood Avenue. Band instruments were made for the pack meeting, and refreshments were served to Rex Buran, Keith Rodgers, Mike Mayes, Steve and Larry Harris, Steve Killian and Bruce Jones.

Ladies of the Wilson Avenue school PTA met at the home of Mrs. Elizabeth Briggs, 2833 Dale Avenue, to attend a St. Louis radio program Tuesday morning.

Present were Mesdames Jane Wyatt, Barbara Miller, Mary Foster, Virginia Ahrens, Jean Thompson, Lillie Loar, Mary Marler, Jeri Hill, Thelma Leutenegger, Betty Porter, Charlene Uhls, Ruby Ponter, Ginny Smith, Betty Ren, Denise Schmitz, Emma Kalpis, Wanda Reincke, Corley Yeager, Alice Mooshegan, Marie Scymek, Fern Patrick, Helen Moore, Emma Portell, Edith Anderson, Ruth Cook, Mary Cook, Martha Bollinger, Ginny Wolf, Ila Chandler, Joan Oram, Betty Gowlisch, Ann Metz, Mary Rouland, Alma Burnett and Mrs. Briggs. A buffet luncheon was enjoyed.

Den Three of Cub Pack 122 of the Wilson Avenue school met Tuesday with Mrs. Theolm Leutenegger, 2104 St. Clair Avenue, for the final meeting of the school year. A lawn party was held, with refreshments enjoyed by Terry Leutenegger, Mac Rodgers, Mike Chim, Elbert Shane Jr., Randy Raymond and Den Chief Joe Leutenegger.

Speeding Arrest

An East St. Louis, Guy D. Bryant, 18, was booked at Granite City police headquarters Wednesday evening by Constable Fred Treibing on a charge of speeding on Edwardsville road. Bryant posted his driver's license as bond.

"We don't know yet whether the newly found species damages economic crops but, as it is closely related to species that damage wheat and oats, it might be of potential importance," said Dr. Ross.

Sample specimens and information about when and where they were found may be sent to Dr. H. H. Ross, Illinois Natural History Survey, Urbana.

Statistics compiled by the Illinois Department of Public Health, 1959, show that 87,281 marriages during 1959, most of them in June, August and September. This is an increase in marriages of 3881 over the 1958 total.

Divorces numbered 22,566 for 1959, with the highest incidence in June, October and December. This is an increase of 2152 divorces in 1959, over 1958 in Illinois.

MEMBER OF THE MONTH, Miss Mary Frances Lynch, who was selected by the Quad-City Business and Professional Women's Club at a meeting last night.

Etude Music Club Studies Toscanini

The Evening Etude Music Club met last night in the home of Mrs. Clem Rehagen, 2242 Delmar avenue.

Mrs. John Deacon, president, was in charge and the members accepted the initiation of a study program in music appreciation to begin in the autumn.

The program for the evening was devoted to the music of Italy and the subject centered on Toscanini, "the man with the baton."

Mrs. Deacon reviewed the book "The Story of Arturo Toscanini" and Mrs. Douglas Aune gave a resume of Deems Taylor's "The Conductor," and demonstrated the technique of the baton beat in conducting. A record "The Lohengrin Prelude" conducted by Toscanini was played to conclude the program.

The hostess served refreshments and plans were made for the next meeting at which Mrs. Aune will serve as hostess.

PLANS MADE FOR REUNION DINNER

A committee in charge of arrangements for the reunion dinner for all ex-employees of the old telephone exchange here was held last night in the home of Mrs. Owen Cox, 2288 Gary avenue.

May 26 is the date set for the party which will take place at the Civic restaurant and final plans were made at last night's meeting. Serving on the committee are Mrs. Catherine Powers, chairman, Mrs. Katherine Knippling, Mrs. Paula Smith, Mrs. Vivian Lee, Mrs. Ernestine Pendleton, Mrs. Cross and Mrs. Helen Worden.

Reservations for the dinner are to be made with Mrs. Worden at GL 2466.

COUNTY SALON, EIGHT AND FORTY, MEETS HERE

Madison County salon 83 of the Eight and Forty met Tuesday evening at the Venice-Madison American Legion Home with the Chaplain, Mrs. Jessie Springate of Alton, in charge. Various reports were given by the chairmen. Mrs. Stella McBrien, Madison gave a report of a trip to the National Jewish Hospital in Denver, Colo.

A social time followed, and games were enjoyed. A salad luncheon was served by the hostesses, Mrs. Dorothy Hinson and Mrs. Hazel Hinson of Madison and Mrs. Frances Cowley of Venice.

YAK YAK CLUB MEETS AT HOME

The Yak Yak Club met Monday evening in the home of Mrs. Linda Bone, 1308 Kirkpatrick Homes.

Secret pass exchanged gifts, and there were games of entertainment with prizes given to Mrs. Betty Bone, Mrs. Carol Crick, Mrs. Carol Cucatti, and Mrs. Barbara Johnson.

Refreshments were served to 12 and plans were announced for the June 20 meeting in the home of Mrs. Johnson on Highway 67.

Mother-Daughter Dinner Last Night

The annual Mother-Daughter party of Beta Phi Chapter of Epistol Sigma Alpha Sorority was held last night at St. Peter Evangelical & Reformed Church, 21st street and Cleveland Blvd.

A Hawaiian theme was carried out in the appointments and the guests were greeted by Mrs. Betty Williams, president, attired in a Hawaiian costume.

After the meal the new officers were inducted. They were: Mrs. Perma Boyer, president; Miss Betty Butch, vice-president; Mrs. Joyce Albers, recording secretary; Mrs. Millie Clements, corresponding secretary; and Mrs. Joan Willis, treasurer.

The program for the evening consisted of a Hula tap dance by Linda Gant; a reading by Al Stevens III; and a Hawaiian dance by Mrs. Florence LeMay.

State Capital NEWS

Hay yields in Illinois reached an all-time record high with 2.01 tons per acre during 1959, according to Stillman Standard, the oat crops throughout the state, according to the annual summary on Illinois Agricultural Statistics.

Corn yields were down but Illinois set an all-time record in production for the year with 67 million bushels. The corn yield was 67 bushels per acre in 1959. The record high was set in 1958 with 69 bushels.

Soybeans were 26.5 bushels per acre, down from the 28.5 high set in 1956.

Wheat yield was 25.5 bushels per acre, down from the 27.5 record established in 1956. The 1958 yield was 31.5.

Oats yielded considerably from the 1958 average of 55.0 bushels to 40.0 bushels per acre in 1959. The record high was established in 1955 when 56.0 bushels per acre were reported.

The property management system in Illinois is among the best in use by any state government, according to Donald Axelrod of Albany, N.Y.

Axelrod is chief of the Administrative Management Unit of the Division of the Budget of the state of New York. He was in Springfield recently to study the State Natural History Survey management for use by Governor William G. Stratton.

Axelrod will recommend the adoption of some of the procedures used in state offices of Illinois, especially in state property management, for use by the New York state departments at Albany.

GC Soldier Assigned To Nike-Hercules Base

Army Pvt. Russell D. Dickey, whose wife, Janice, lives at 2674 Highway 67, recently was assigned to the 52nd Artillery, a Nike-Hercules missile unit at Fort Bliss, Tex.

Water Firm Installs New Hydrants, Valves

Bathrooms and other containers used to store water by Venice residents were emptied after the East St. Louis and Interurbans Water Co. completed installation of four new fire hydrants and a series of water line valves along Broadway from Klein street to Main street Monday afternoon and night. They had been notified that the water would be shut off.

Some additional work remains in the area between Klein and McKinley streets, but the shutdown of service should last only about an hour, the water firm reported. With the change in hydrants, the water line spout geyzers of water, since they have an automatic shutoff. Also, problems resulting from leaks and breaks in water lines can be limited to smaller areas, it was announced.

FAA To Hire 400 Electronic Technicians

The Federal Aviation Agency at Kansas City, Mo., announced plans to hire 400 electronic technicians from a new Civil Service examination issued today. The unparalleled growth in jet and conventional air traffic has created a need for electronic technicians with experience on radar systems. Technical school graduates and persons with limited experience on radios and TV sets can also qualify. Salaries range up to \$500 a month.

Employment with the FAA offers good opportunities for career development, promotion to higher grade positions and advanced training on new equipment. Positions are located in this and ten other states in the Midwest. Persons interested in employment as an Electronic Technician should contact the Civil Service representative at the local post office.

A & P Stores Report Five Billion In Sales

For the second straight year, sales by The Great Atlantic & Pacific Tea Co., Inc., operator of the local A&P grocery store, exceeded the \$5-billion mark during the fiscal period ended last Feb. 27, the annual report being mailed to stockholders showed today.

Both sales and earnings were at an all-time high for any 52-week period. Sales for 1959 were \$5,048,574,241 as compared with the record mark of \$5,094,741,391 a year earlier for a 53-week fiscal period. Net income was \$31,996,369, compared with \$33,905,170 in fiscal 1958.

Earnings per share, based on 22,284,983 shares of common stock, were \$2.33, compared with \$2.42. The report listed opening of 37 new retail outlets, modernization of another 413 and closing of 213 A&P has 4276 stores, tops in the nation.

Girl Scouts of Troop 111 met Tuesday afternoon at the home of the leader, Mrs. Sally Bosworth, 1661 Second street, at which time the leader announced that the next meeting will be held June 1. The meetings will be held occasionally during the summer for the girls to complete badge requirements. Donna Schleeter and Alice Grimes, hostesses for the week, served refreshments to Pat Moss, Pamela Hinson, Nancy Layman, Sharon Falcout, Paulette Voloski and Marcela Gitchco.

Miss Beverly Bosworth, daughter of Mr. and Mrs. Benjamin Bosworth, 1661 Second street, made her first Holy Communion Sunday at St. Mary's Catholic Church in Madison. A breakfast was served in the Bosworth home, and those present included the grandparents, Mr. and Mrs. Fred Ziebanek of Granite City.

HOSTESS TO CLASS

Mrs. Ruth Hannebrink was hostess to the Pheasant Sunday school class of the First Baptist Church in her home Tuesday evening. Mrs. Ruby Hall was co-hostess for the evening. The business meeting was presided over by Mrs. Ozell Walton, president.

The devotionals were given by Mrs. Hall and was closed with prayer by the class teacher, Mrs. Kenneth McDaniel. Refreshments were served by the hostesses to Mrs. Veda Bolin, Mrs. Verna Willman, Mrs. D. M. Bond, Mrs. Pearl Kingsley, Mrs. Mary Stanfill, Mrs. Gertrude McManaway, Mrs. Ruth Colwell, Mrs. Jewell Ratliff, Mrs. Birtie Hobbs, Mrs. Georgia Brown, Mrs. Marge Purcell, Mrs. Etha Lively and guests. Mrs. Lillie Ayres of Maryville, Mrs. Oula Naves of St. Louis, Mrs. Hazel Brooks, Granite City, and Linda Ruth Mowery, granddaughter of the hostess.

Mrs. Hobbs will be hostess to the class in her home, 1803 Second street, with Mrs. McDaniel as co-hostess, for the next monthly meeting.

MISS ELLA MOCK BRIDE
OF JAMES W. WARD

Miss Ella Mock, daughter of Mr. and Mrs. Jesse Mock, 2668 Center street, and James W. Ward, son of Mrs. Gussie Knudsen, Lincoln, Neb., were married Sunday afternoon at the First Baptist Church, Madison, with Rev. Paul Washburn officiating at the double ring ceremony.

The bride chose a light beige suit using red accessories, and wore a corsage of white carnations. Her twin sister, Miss Eva Mock, and William Ward, brother of the groom, were the attendants. Miss Eva Mock wore a beige suit with white accessories and a white carnation corsage.

Mrs. Mock, the bride's mother, wore a powder blue suit with white accessories and a corsage of white carnations. The bride graduated from Madison high school and is employed at the internal revenue office in East St. Louis, while the groom is a barber in St. Louis. The couple will reside on Fifth street in Madison.

INSTALL. OFFICERS

Mrs. Louise Lewis was the acting installing officer as new officers were installed Monday by the Madison Ladies City Organization. A dinner was served in the dining room of the Sportsman's club.

Mrs. Sadie Wojcik was installed as president for the new year, with Mrs. Margaret Mischke vice-president. Mrs. Helen Geroff treasurer and Mrs. Sally Maersa, secretary. The tables were decorated with floral centerpieces.

The retiring president, Mrs. Marie Stawar, presented each officer with an orchid corsage. Mrs. Julia Voloski presented the retiring officers and the new president with gifts from the organization.

A social time was spent with games being played. Members taking part were Mrs. Hazel Hinson, Mrs. Jessie Henderson, Mrs. Elizabeth Bergrath, Mrs. Juanita Brown, Mrs. Mary Hlava, Mrs. Maxine Castoff, Mrs. Ann Blazek, Mrs. Frances Svoobas, Mrs. Nettie Gnojewski, Mrs. Sally Bosworth, Mrs. Mary Maersa, Mrs. Mary Bridick, Mrs. Helen Knezevich, Mrs. Sarah Duto, Mrs. Violet Beder and Mrs. Maersa.

Mrs. Anthony Ratkiewicz held the final 1959-60 meeting of Den Three of St. Mary's Monday at her home. Arthur Ratkiewicz offered prayer and the boys completed gifts for their mothers. Games were played and the closing was given by James Kozak, after which the den mother served cookies and soda to Michael Darling, Timothy Morton, Albert Duzik, Robert Wojtowicz, James Kozak, Arthur Ratkiewicz, Leonard Fowler, Gary Wasylak, Robert Rickert, John Papa and Ronald Lelelewski.

Rev. H. E. Dicky conducted installation of officers for organizations of the First Methodist Church Sunday, immediately after the evening services. Groups participating were the Methodist Men's club, Wesleyan Service Guild and Women's Society of Christian Service. Cake and coffee were served in the basement of the church to those attending.

BRIDAL SHOWER

Miss Nancy Murphy was complimented with a bridal shower Tuesday evening at the Temple Baptist Church. She is the daughter of Mr. and Mrs. Alvin Davis, 1664 Sixth street. Arrangements for the shower were made by women of the church. The church and tables were decorated with streamers, table cloths, plates and napkins having a wedding motif. The decorated gift table held a large selection of gifts, which the honoree opened with the assistance of Miss Paulette Taylor and Betty Ann Russell.

Mrs. Lela Reiter read a chapter from the Bible and Mrs. Paul Washburn gave a devotional on "Christian Marriage." Games were played by Mesdames Meryl McElroy, Edith Collins, Mary Arnold, Pauline Cory, Ann Webb, Alma Whit and Dorothy Taylor, and Misses Marie Miller, Mary Lou Vandermark, Kay Ditch, Maureen Bevil, Judy Severine, Phyllis Ratliff, Donna Adams, Sharon Sorenson, Margaret Whit, Pat Linder, Sharon Shep and Ariene Schiller. Cakes of various flavors were served with soda and coffee.

Mr. and Mrs. Everett Dollins and Miss Jeanette Dollins, 1631 Fifth street, Madison, were accompanied by Miss Marjorie Hochil of Granite City and Thomas Kowalski of East St. Louis to a family reunion gathering and all-day picnic Sunday at the farm home of Mr. and Mrs. Charles Miller of Glover, Mo. The Millers are former residents of Madison.

Mrs. Bessie Johnson, an aunt of Dollins, returned home with the Dollins family to spend a three-day vacation visiting relatives and friends in the Quad-City area. She is now residing in Los Angeles, Calif., and is a former resident of Madison. Other families from the Quad-City attending were Mr. and Mrs. William King Jr., Richard Dollins and Mr. and Mrs. Alfred Dotsen. Mrs. Doris Jean Hicks and children, Gary and Belinda, of Caraway, Ark., accompanied the Dotsens home to spend a week.

Approximately 120 were present at a meeting of St. Mary's Cub Pack 47 Tuesday in the cafeteria of St. Mary's school. Anniversary achievements and awards went to Walter Goff, Arthur Ratkiewicz, John Papa, Michael Kozak and Albert Duzik for bringing new boys into the pack. A report was given by Louis Melchior and a donation was given by Pack 47 toward the National Scout Memorial in Washington, D. C.

Mrs. Louise Papa, Mrs. Joseph LaMacchia, Mrs. Anthony Ratkiewicz, Mrs. Kmetz and Mrs. Steve Lengyel were recognized as leaders of dens, while Anthony Ratkiewicz, Andrew Ratkiewicz, Ronald Lelelewski, Gary Honerkamp and Joseph LaMacchia were recognized as den chiefs. By TRUMAN W. MAY

Whether your tomatoes "do or die" this spring depends a lot on how they are transplanted.

Here are six important transplanting steps:

1. Transplant on a cloudy day or in the evening.

2. Handle plants with care. About an hour before transplanting, water the plants. Then block out roots of plants with a knife to get as much soil as possible with each root. Carefully remove plants from their containers, disturbing the roots as little as possible. Try to keep a ball of soil around the roots and keep the roots moist at all times when they are out of the soil.

3. Dig a hole large enough so that the transplanted plant sits slightly deeper than it grew in the seedbed. If you use tall spindly plants, set them on an angle in the trench so they won't get in the way if they flop over. But don't use such plants unless you have to.

4. Use a starter solution to get plants off to a fast start. Use a high phosphorus starter fertilizer such as 10-52-17 or 10-50-10. Mix about two tablespoons in a gallon of water. If a regular starter fertilizer is not available, mix one cup of 5-10-5 or a similar fertilizer in 12 quarts of water.

5. Cover the roots with soil. Pack the soil firmly around the roots.

6. Protect plants from heat, wind and cold. Plant protectors (sometimes called hot caps) made of paper or plastic are available.

Homemade devices can be made from baskets, boxes or jars. Do not leave protectors over plants longer than necessary. Remove or open the protectors during warm daytime temperatures so that plants receive fresh air. In hot weather, protectors may also shade plants.

By following these easy steps, not only will plants thrive better, but yield and quality will be better too.

For more information on tomatoes and other garden vegetables, ask our office for a copy of the University of Illinois Circular No. 515, "The Entitled Illinois Vegetable Garden Guide."

Sheep raisers have usually figured that lambs should be close to 4 months old before weaning, but now with improved management methods some are being weaned successfully between 60 and 90 days of age. They should be consuming about three quarters of a pound of creep feed per day. The rations of weanling ewes should be reduced before weaning. Cut the grain to a half pound per day—2 to 4 weeks before weaning and feed no grain during the last week.

Early weaning should be considered when you are going to be short of pasture, when you have a large percentage of twins and triplets, when you have lambs that could be ready for market within 30 days after pasture are ready, or when you have heavy parasite infestation in the ewes.

Madison county flock owners enrolled in the 1960 Illinois sheep production project with the University of Illinois are Ray Winter, Marine; Wilfred Givlio, Edwardsville; Clyde Krenner, Highland; Delmar Nungesser, Marine; Curtis Thert, Highland; and Rudy Kappeler, Edwardsville.

Today's pressure to make farms larger is sharply reducing the new opportunities for young men to enter farming each year.

Under present conditions only about 12 to 15 young men will be able to start farming each year for every 1000 farms, reports University of Illinois agricultural economist F. J. Rogers. If the size of farms were to remain the same, there would be about 25 farming opportunities.

Reas young men who are thinking of starting farming to be sure they will have a large enough farm to provide full and efficient use of their labor. He points out that one man alone can now farm up to 200 acres with some livestock. If fathers and sons are thinking of going into partnership and planning to spend full time on the farm, he urges them to make sure their farms are large enough to use the labor of two men efficiently.

4-H club members with hog projects are now using a new swine manual from the University of Illinois, states Louis A. Bower, assistant farm adviser. It is a guide for selecting, feeding, managing and marketing swine for a 4-H project. Suggestions for feeding and taking care of the animals at livestock shows are also included. Club members are urged to use this new manual "To Make the Best, Better," in the 4-H motto goes.

Agricultural economists say it is unlikely that prices of fed cattle will decline as sharply this year as they did last year. Prices are now at a lower level. Less competition from pork and slightly stronger demand should help to strengthen the market in the next few months.

Usually we don't think much of "reverse action" but these 10 suggestions on how NOT to grow 100 bushels of corn as listed by a somewhat cynical friend may be rather timely. 1. Plow and work the soil too wet. 2. Fail to

use soil insecticide especially in creek and river bottom soils. 3. Harvest and seed until you build up compact areas. 4. Plant without knowing what your fertilizer needs are. 5. Use the wrong planter plates for the grade of corn you are planting. 6. Use a worn out planter, or a drive too fast. 7. Fail to plant the best population for your soil type and fertility level. 8. Let above-ground insects damage your corn. 9. Let weeds steal the moisture and fertility. 10. Harvest poorly, leaving too much corn in the field. Clover leaf weevils in second year red clover, a green worm that feeds on the leaves only at night, can be controlled by spraying with methoxychlor, a pound and a half per acre. The worms are on the ground in day-time. There is no residue problem in hay with methoxychlor.

William James, Former Resident, Dies In Alton

Former Granite City resident, William James Jr., 54, of Collinsville, died in an Alton hospital at 2:30 p.m. Wednesday after an illness of a year. A native of Greenville, S. C., Mr. James lived here until ten years ago when he moved to Collinsville. He was employed by a construction firm.

Mr. James is survived by his wife, Mrs. Susan James; a daughter, Miss Margie Ann James of Sarasota, Fla.; a stepson, Robert L. Payne of Topeka, Kan.; a brother, two sisters and a grandchild. Services will be held at 2 p.m. Saturday at Collinsville with interment in that city's St. John's Cemetery.

Mitchell PTA To Hold School Picnic Tuesday

Mitchell grade school PTA will hold the annual school picnic Tuesday, May 24 on the school grounds, with school starting at the regular time and being dismissed at 10 a.m. The picnic will last until 3:30 p.m. and buses will run on schedule to take the children home.

Tables will be provided for picnic dinners, and the playground will be divided into four areas, for pre-kindergarten and kindergarten children, for first and second graders, for third and fourth graders and for fifth and sixth graders. Prizes will be given for games, which will include sack races, shoe scrambles, three-leg races and softball. The PTA will give

Coolidge Jr. Has Vocal Music Concert On Monday

The annual spring concert by the Coolidge Junior high school vocal music department will be presented at 7:30 p. m. Monday at the junior high school gym. Mrs. Pauline Frazier, director, said today.

Approximately 320 eighth and ninth graders at the school will take part in the concert, which is open to the public free of charge. Twenty varying selections are included on the program, and will be sung by eight separate groups.

The eighth grade mixed chorus will perform "Goin' to Boston" as arranged by Davies; and "Tyrolese Chorus" by Rossini. The girls' combined chorus will present "Somewhere a Child is Singing" by Dykema, with an incidental flute solo by Judy Stegmeyer; and "I Heard a Forest Praying" by DeRose. The ninth grade girls' glee club will sing "Who" by Kern, "Some Enchanted Evening" by Rogers and "Donna Nobis Pace" as arranged by Wilson. The boys' glee club will offer "Song of the Open Road" by Wilson and "De Anima a' Comin'" a Negro spiritual.

A skit by a Gay Nineties barbershop quartet and girls will include performances of "Serenade Medley," a collection of campus songs; "Waiting for the Ball is Over." The ninth grade girls' ensemble will perform "Have You Ever Seen a Star" by Fisher.

Three selections by the freshman mixed chorus include "The 23rd Psalm" as arranged by Davis; "Gossyp, Gossyp" by Jones-Harison; and "Rock a My Sole" by Horowitz. Combined eighth and ninth grade groups will conclude the program with "A Tribute to Song" by Wilson; "Beautiful Savior" arranged by Percy; "Light" by Bach and "Festival Finale" by Maddy. A trumpet chorus for the final selection will include Gerald Fredericks, Mike Fry, Richard Hahn, Mike Mullen, David Toth and Kenneth Wille.

City Manager Growth Growing

Gaining momentum in Granite City is a newly-formed city manager form of government. The group, which is in the process of organizing, met Monday night at its headquarters, 1840 Delmar at 11 a. m., and selected James "Red" Worthen, who is circulating petitions seeking an election to determine if Granite City wants to change the city government to city manager type, said the group will be meeting again in the near future to elect officers and

SOCIETY

Garden Study Club Flower Show At 'Y' Next Tuesday

The Granite City Garden Study Club will present its annual "Spring Flower Show" Tuesday, May 24 at the YMCA. It will be open to the public from 2 to 8 p. m.

"Living With Flowers" will be the theme, and it is the club's desire to create and stimulate interest in design in flower arranging as well as helping one another to grow better flowers in the gardens through horticultural education.

There will be arrangement and horticultural sections and all entries must be in place by 10:30 a. m. on the day of the show and they are to be removed between 8 and 8:30 p. m. the same day. They must be home grown and no florist flowers will be permitted. There will be hostesses in the show room at all times.

Mrs. Abner is president of the club, and Mrs. C. E. Eads is serving as flower show chairman.

New Sorority Being Organized

Plans were completed this week for the organization of a Nu Phi Mu Chapter of Beta Sigma Phi Sorority and the prospective pledges were invited to a rush meeting at the Elk's Club last night.

Mrs. Florence Smith of the international office in Kansas City, Mo., addressed the rushers, explaining the aims and purposes of the sorority.

Nu Phi Mu, she said, is the degree of Beta Sigma Phi Sorority which is the world's largest Greek letter organization. There are three active chapters in Granite City and more than 7000 chapters throughout the world.

Nu Phi Mu is designed for business girls, homemakers and students between the ages of 17 and 22 who wish to meet new friends, widen their cultural interests and take an active part in the affairs of their community.

Beta Sigma Phi is a non-academic sorority and membership is by invitation only. The new Granite City chapter will be formally installed Thursday, May 26, at the Elk's Club.

**Jr. Service Club's
Board Meets**
Mrs. Jean Ann Vrenick, president, was in charge Monday evening at a business meeting of the Granite City Junior Service Club at St. John United Church of Christ.

Eighteen were present and a report was made on the home tour later in the summer. Mrs. Helen Yeager reported on the progress of a new club project, the making of hand puppets for children at St. Elizabeth Hospital.

The new year books were presented by the president and approved by the club, and after the group adjourned refreshments were served by Miss Marge Crendone and Miss Juanita Bell. A special prize was won by Mrs. Yeager and the meeting date was announced for June 13 at the church.

RETURNS FROM WEST
Miss Sandra Hart, daughter of Mrs. E. S. Gaston, 3109 Wayne avenue, has returned from a vacation of two weeks in California.

**LUTHERAN CHURCH
YOUTH WILL BE HOSTS**
On Sunday, the young people of St. John Lutheran Church will serve as hosts to the youth from St. Luke's Lutheran Church of St. Louis at a Bible workshop.

A tour of the new structure at St. Clair and Dale avenues, a supper fellowship and an evening of recreation will follow. A closing devotion in the church sanctuary led by the pastor, Rev. Samuel Bode, will bring the evening to a spiritual close.

ATTENDING CONVENTION
Rev. and Mrs. George Sagen are in Miami Beach, Fla. this week attending the Southern Baptist convention. Rev. Sagen is pastor of First Baptist Church, 21st street and Delmar avenue.

JUNIOR SERVICE INSTALLATION. Officers of the Madison Junior Service Club installed recently were, front row, left to right, Julia Voloski, second vice-president; Mary Stanfill, post president; Shirley Kapoff, president; Deloyce Rhoads, first vice-president; Josephine Georgeff, third vice-president; Standing, Eileen Huelkamp, installing officer; Evelyn Blatner, corresponding secretary; Charlene Burns, treasurer; Jeanette Trani, recording secretary; Georgina Waggoner, board member; Hilda Graville, board member; Helen Daley, board member.

Season Ends For DAR Chapter

Drucilla Andrews Chapter, Daughters of the American Revolution, closed the season with a meeting Monday in the home of Mrs. Robert Chapman, 2459 Delmar avenue.

Miss Ella Ray Smith, regent, who was in charge, read the message of the president general, Mrs. Helen Barco read a paper on "Old Glory, Our National Flag," written by Mrs. Mary Margaret Van Ness, and a Lesel, Mrs. O. G. Lawson East St. Louis, a member of Cahokia Mound Chapter, reported on the National Convention of the DAR which she attended in Washington, D. C.

The program closed with an article by Miss Anna Wilcox on Francis Scott Key, who wrote the Star Spangled Banner. Refreshments were served by the hostess to 14, including the guest.

**WHAT WOULD THE FORAND
BILL DO**

It would permit the Federal Government to buy, with an unpredictably huge quantity of your tax dollars, a limited amount of hospital and nursing home treatment for some 16 million people eligible for Social Security retirement and survivorship payments.

**WHO WOULD RUN THE PROGRAM
AND RULE ON WHAT SORT OF
TREATMENT MUST BE PROVIDED?**

The Federal Government, through a government employees.

WHAT WOULD ALL OF THIS COST?

About \$2 billion a year — for the first and second years of operation. As time went on, costs would skyrocket — as they did in Great Britain.

**WHO WOULD PAY THE BILL
FOR FORAND LEGISLATION?**

You would — and so would everyone else who pays Social Security taxes. These taxes are already scheduled to reach 9% of payroll in the years ahead. This means you will eventually be paying a tax of \$216 on an income of \$4000 a year, with your employee also paying \$216. The Forand bill would cut your take-home pay even more, by further increasing the rate of Social Security taxes. (In Italy, the cost of Social Security is now 35 cents out of every payroll dollar).

IS THE FORAND BILL NECESSARY?

No. Health insurance has made startling gains in the past 20 years. During that period, the number of persons covered has gone from 12 million to 123 million. It is estimated that 60% of the aged, needing and wanting health insurance, will have it this year; 75% by 1965; and 90% by 1970. Further, voluntary effort at the community level is rapidly developing and expanding ancillary facilities for the health care of the aged. The Forand bill proposes a PERMANENT governmental problem.

Political Medicine Is Bad Medicine BAD FOR YOU BAD FOR THE NATION!

**JUST WHAT IS
POLITICAL MEDICINE?**

Political medicine is the type of medicine this country could expect if a measure now before Congress were made law. This measure is known as the Forand Bill. If enacted, it would mean medicine controlled and administered by the Federal Government. It would mean red tape, bureaucratic control, high costs and inferior medical care. Further, it would establish a system of socialized medicine for a large segment of the population. Americans rejected socialized medicine overwhelmingly in 1950. But here it is again—this time under a different label.

**WHAT WOULD THE FORAND
BILL DO**

It would permit the Federal Government to buy, with an unpredictably huge quantity of your tax dollars, a limited amount of hospital and nursing home treatment for some 16 million people eligible for Social Security retirement and survivorship payments.

**WHO WOULD RUN THE PROGRAM

**WOULD THE FORAND BILL HELP
THE INDIGENT AGED
WITH THE LOWEST INCOMES?**

No. Despite its enormous cost, the Forand Bill would not help the indigent, for the vast majority of them are not eligible for Social Security retirement and survivorship benefits. The indigent receive most of their medical care through welfare programs. Aside from the help they get from private, fraternal and religious organizations, the indigent of all ages now receive more than \$4 billion annually in Federal and state aid for medical and other expenses.

**WOULD THE FORAND BILL MEAN
BETTER HEALTH CARE FOR
THE AGED PERSONS COVERED?**

No. It would mean poorer, not better, health care for these people. The medical needs of the aged vary widely and can be met only on the basis of each individual's particular problem. The care of the aged cannot be blueprinted in Washington, D.C. It must be tailored in each community to fit the need.

**HOW WOULD THE FORAND BILL
AFFECT YOUR RELATIONSHIP
WITH YOUR FAMILY PHYSICIAN?**

Unfavorably. You, as a patient, would have to choose a hospital, nursing home or physician under contract with the Federal Government if you were eligible for treatment under the Forand Bill. Your doctor would be forced to conform to administrative regulations which could hamper him from prescribing the treatment which, in his professional opinion, YOU needed.

**HOW WOULD THE VAST MAJORITY
OF AMERICANS — THOSE WHO
AREN'T RECEIVING SOCIAL
SECURITY PAYMENTS —
BE AFFECTED BY PASSAGE
OF THE FORAND BILL?**

They would soon find dangerous overcrowding in their local hospitals, with long waits for admission. The record of similar legislation in other countries makes it plain that overuse of hospitals, without medical necessity, inevitably occurs. The result would be fewer beds available for the acutely ill of all ages within our communities.

**IF THE FORAND BILL BECAME
LAW, WOULD THIS MEAN
COMPLETELY SOCIALIZED
MEDICINE IN THE UNITED STATES?**

Yes — it would just be a matter of time. Some of the Bill's supporters are determined to socialize medicine across the board. Their next step would be to lower the ages of eligibility and broaden the field of coverage. This would continue, year after year, until every American was under a rigid Federal system of compulsory, socialized medicine.

\$10,574 Bill List

GC Solons Debate, Approve \$672 Expenses For CD Group

The merits of civil defense organizations were debated by Granite City council members Monday night when opposition was raised for payment of \$672 for three CD officers to attend a Western Instructors Training Center at Alameda, Calif. The bill was one of many on the \$10,574 bill list which was later approved intact. Alderman Paul Rutledge, chairman of the Finance Committee, called for separation of the CD bill upon presenting the bill list to the council. He said the civil defense group did not seek advance approval and that he thought "they're going overboard" to send three men to California for the period May 23 to 27.

Mayor Davis in defending the organization said he had advised the officers he would approve attendance at any school. "They take their vacations from work and devote them to civil defense. They're willing to give up their time to make a good organization here. How much will we need it, I don't know, but if you shut off the leaders, then you'll have no civil defense organization. It's your privilege to do what you want."

Rutledge commented he did not believe it necessary to send three men, and the mayor answered the three top men are to be sent. The mayor was supported by Alderman Steve Harnisch, who said he was a former air raid warden and could see the need for civil defense, and Alderman Mrs. Gabrielle Bellene, who said the city should not lag behind in defense matters.

The motion for separation of the bill failed to carry, and the expense fund was approved. Among other bills on the list were \$1504 for maintenance and parts for city vehicles; \$671 for 2143 gallons of gasoline; 525 gallons of oil and 100 gallons of kerosene; \$1258 for 60,300 pounds of asphalt, purchased from Midwest Black Top Roads, Inc.; and \$199 for 24 tons of asphalt bought from MacLean Asphalt Co., Inc.

Other allowances included on the bill list were \$416 for April engineering services by David J. Johnson, \$600 to \$925 of building permit fees for April and part of May paid to Building Inspector Earl Bloomquist; \$189 for Mayor Davis' travel and expense to Chicago to attend the National Conference of Mayors; Aldermanic expense allowances were \$30 for Steve Harnisch, \$30 for Paul Rutledge, \$30 for Emerald Daves, \$30 for Rufus LeMaster and \$30 for Frank Nemeth.

Miss Davis Places 2nd In Home Lighting Contest

Miss Dorothy Davis, home lighting advisor for local office of Illinois Power Co., placed second in the residential class of the applied lighting contest held in connection with a conference of the Illuminating Engineering Society in Sioux City, Ia. She returned from Iowa on Monday.

Seventeen contestants were given a problem in lighting either residences or commercial establishments, and were judged on how they solved the problem and the usefulness of the solution. Miss Davis won a regional contest in St. Louis before going to the Sioux City conference.

Lease Dog Pound Site; Object To Billboard

A second resolution to lease 10,000 square feet of ground from Illinois Terminal Railroad at a dollar a year was approved Monday night by Granite City council members, who had approved a similar resolution last Dec. 7.

The tract between the networks of railroad tracks at 22nd street is to be used to erect a new city dog pound to replace the one at the city dump which is to be razed to make room for a new state highway between the Quad-Cities and East St. Louis.

The city's Animal Shelter Board has been authorized to proceed with construction of the building under a agreement between the city and construction unions in which the unions will donate labor and the city will furnish materials. The cost estimate has been set at \$6000.

Start of construction was delayed because the original lease could not be found. The lease is to be for 20 years with the city acquiring a tract with a 50-foot frontage on 22nd street.

The aldermen said he has received several complaints since the sign was moved from the north to the south side of the road, and that he knew of no permit issued by the city for its erection at either location. Meyer pointed out he had no objection when the sign was on the north side. "It was in the Sixth Ward then, but now it's in the Seventh Ward," Meyer is a Seventh Ward alderman.

Driver In Crash Fined

Court costs were assessed by Venice Police Magistrate Wesley Edwards Monday evening on charges of leaving an accident scene and parking on the wrong side of the street against Duane Brewer, St. Louis, who pleaded guilty. A charge of blocking a driveway was dismissed. The charges were based on a collision with a parked car in the 700 block of Main street May 15.

Examination July 11 For Service Academies

Cong. Melvin Price has announced that civil service examinations to assist him in selecting candidates for the U. S. service academies in 1961 will be held in Granite City, Alton and East St. Louis on Monday, July 11. The exact time and place of the exam in each city will be announced at a future date.

Price said he is accepting applications from any young men who are residents of Madison and St. Clair counties and are interested in the competition. In order to be eligible for nomination to the academies, they must have attained the age of 17 and not have reached the age of 22 by July 1, 1961. Anyone interested should write to Cong. Price, 1234 New House Office Building, Washington, D. C.

Price has asked the Civil Service Commission to schedule the examinations to assist him in making nominations to the U. S. Air Force Academy at Colorado Springs, Colo., the U. S. Military Academy at West Point, N. Y., the U. S. Naval Academy at Annapolis, Md., and the Merchant Marine Academy at Kings Point, N. Y.

Cleanup Of Cemetery With Donations Proposed

A former Granite Cityan, Mrs. John Merlock of Waukegan, who had not visited the city since 1947, has written the Press-Record she was amazed at the progress and growth here, but then was surprised and sad to see the old, historical Odd Fellows Cemetery off U. S. Highway 67a in such a state of neglect.

Mrs. Merlock, whose parents ran a farm where the Community Heights area developed, suggested the Odd Fellows organization of local and surrounding communities might get together with donations for hiring some one to clean the burial tract, cut

and trim trees and plant others.

"I myself, would even send a donation to help. You see, my dad was a member 45 years of the IOOF. First he belonged to the Six-Mile Lodge at Nameoki and then the Granite City lodge. She said her family's old farm house still stands, now on Myrtle avenue. "I saw Madison avenue made... but the town has grown so much I could hardly find my way around places that I've known and roamed as a child. I went to public school in East Granite Webster school and walked there through open wheat fields and over old fashioned roads, a mile and a quarter one to clean the burial tract, cut

JARMAN INTRODUCES
"Evershine" leather
world's first leather with a "built-in shine"

"Evershine" is an amazing leather — a historic "first" in footwear. Just a few whisks with a brush or cloth remove dust and dirt and restore the lustrous shine! Think of the time, trouble and expense you save! "Evershine" — the result of a brand-new Jarmen tanning and finishing process, is a two-way winner: (1) It repels dirt and dust and moisture; (2) It requires only a simple cleaning and buffing with a soft dry cloth or brush when shoes do get dirty (damp cloth is better if extra dirty). We are proud to be among the first to offer Jarmen styles made of this unique new "Evershine" leather (exclusive with Jarmen in men's shoes). Come in and try a pair, for long-lasting good looks.

Etude Music Club Holds Guest Day

An outstanding event in club circles was the annual spring guest day party and program of the Etude Music Club held in the all-purpose room of Niedringhaus Memorial Educational building Tuesday afternoon.

Mrs. Edith Schell and Mrs. Ernest Karandjoff headed the program and entertainment committees and approximately 50 persons were present.

The guests were registered by Mrs. Earl Miller and the tea table, covered with a pink cloth, held the silver services and an arrangement of pink and blue spring flowers. Mrs. Schell and Mrs. Donald Spitzer, club president, poured. The stage was decorated with yellow chrysanthemums. Mrs. Russell West played an arrangement of songs from Carousell and the remainder of the program was given by students from the Southern Illinois University southwestern campus.

It consisted of the following songs by a baritone, Keith Curtis, accompanied by Miss Phyllis Stout, "Lacrimosa Morie" (Monteverdi), "Come To Me, Soothing Sleep" and "The Trumpet is Calling" by Handel, "Some Rival Has Stolen My True Love Away," arranged by Broadwood, "Quaisnol de Barber" by Ober Brunner; and a piano number by Miss Margie Ford, who played the first movement of "Sonatina Opus B No. One" by Kabelevski.

Special guests at the meeting were Mrs. William Lierman, president of the Ladies Circle, and Mrs. Ernest Rouland, who heads the Lesche Literary Club. The Etude Club will bring its meetings for the season to a close with a picnic at Wilson Park June 21.

Tax Committee Finds Great Variance In Assessing, Urges Appraisal Program

Do property owners really mind paying taxes for the operation of their local governments? We suspect that the answer is yes, unless two conditions are met—that tax funds are used properly and judiciously, and that only the rightful share is collected from each person.

Both conditions are important, and the issue of fair sharing of the burden is so complex that further exploration may be in order. As announced this month, the dollar total of the new tax bills is up 8% in Granite City, 2% in Venice township and 11% in Nameoki township. Last month's tax rate announcement showed increases of 16 1/2% in Granite City, 12% in Nameoki township and 8% in Madison, and a 2% decrease in Venice on property assessed the same as before. The tax changes are greater or smaller if the assessment has been raised or lowered.

All these figures show the average effect. But they fail to tell the great variance in individual assessments—far greater than most people realize. A survey by the Tri-City Tax Study Committee, composed of members of the Real Estate Board, Association of Realtors and Chamber of Commerce, shows that valuations differ sharply from sale prices, differ between townships and differ between parcels of property within a township.

Selecting at random residential and farm property that was sold in 1958 or 1959, and comparing it with the 1959 valuation on the same property, the committee found that virtually nowhere was the uniform 60% assessed, the level agreed to by assessors of Madison county in their successful effort to obtain a "11" state assessment multiplier. Property sold under distress conditions or sold when its value had risen for various reasons makes it impossible to reach a conclusion in some instances. But the survey was extensive enough to illustrate that variance rather than uniformity was the rule. A listing of 14 properties in one township showed assessment percentages of 10, 11, 13, 19, 25, 27, 32, 40, 41, 49, 60, 66, 74 and 87 per cent of sale price. Another township varied from 31% to 131%.

Noting that when assessments vary greatly, most people do not pay their pro-rata share of the total tax bill, the committee pointed out in its assessment report that "this is especially true in two adjoining townships that pay taxes to the same governmental bodies." It also questioned the 60% level, conceding that uniformity is needed but adding that a strictly-enforced 60% could take the lid off present taxing limits. The committee said it believes that if each assessor does the job he is supposed to do, and each township is equally assessed, a lower percentage of true value could be used and still not jeopardize the bonding power needed for necessary work.

As pinpointed by the committee, the problem is general and also affects commercial and industrial property. No one person is at fault, and no individual by himself can straighten out the assessing "mess." All signs still point in the direction of a county-wide professional appraisal of property values, with some type of safeguards for enforcement and for adjusting tax rate maximums if the assessment total becomes excessive compared to existing rates.

Such an appraisal is being called for by the committee, which plans to confer with county officials. The group says the assessment problem "is important enough to deserve the consideration of all the people of Madison county, and especially people in influential positions. We must straighten out this confusion if we hope to attract new industry. We must do away with selfish feelings and special privileges if we intend to grow."

Importance Of Military Strength Evident During Armed Forces Week

As international "colder rattling" grows louder, it emphasizes with telling effect the importance of the American armed forces that are being recognized in general this week and in particular Saturday at the Granite City Engineers Depot.

No thinking American wants war, but recent stands taken by Russia hint strongly that the cold war would become hotter except for our weapons of war—the deterrent force of the U. S. military establishment. In the light of threats, the Armed Forces Week theme of "power for peace" takes on new meaning.

There seems little doubt that our military services together can marshal the mightiest offensive power ever assembled. If the Russians seriously doubted this the nation and free world surely would have been put to the test.

A vital link in the network of military bases is the Army Engineer Depot, which stores, re-conditions and ships a vast amount of equipment, supplies, vehicles and weapons. Many of the activities will be on view to the public during Saturday's open house at the Depot.

Looking ahead may be interesting, but looking behind is often more profitable.

Area Students Still Gaining High Scores In Judging In Many Fields

Success of Granite City high school student vocational projects at the annual state industrial arts fair again emphasizes the high caliber of the education being afforded in varied fields by Quad-Cities schools.

For many years, students at local schools have rated highly in state and national competition testing their scholastic achievement, athletic performance and prowess in a variety of arts and skills.

The 1960 state championship in industrial arts indicates that area educational systems are continuing to turn out quality products. Good attention to vocational education as well as other school courses seems fully justified in as highly an industrialized community as the Quad-Cities.

Most men judge their fellow-men by the way he accepts them and their ideas.

High Employment, Purchasing Power In Area Brighten Economic Outlook

Some economic experts have expressed foreboding about the future, but most continue to look for this to be one of the best years in history. The local outlook remains bright, what with manufacturers operating at a high percentage of capacity, new plants under construction, employment up and unemployment down.

Purchasing in the Quad-Cities has been tabulated for the first two months of 1960. The January total was \$4,483,000, or \$200,000 higher than a year ago and \$150,000 better than two years ago. February's \$4,576,000 buying represented gains of \$400,000 over February 1959 and \$700,000 over February 1958.

Latest national figures show the combined value of all goods and services has topped \$500,000,000, a half-trillion, for the first time in history, that employment rose by a record 1,900,000 in April, that retail sales are about 5% ahead of a year ago and that consumer prices varied only one-quarter of one per cent in the past six months.

With the construction season getting well under way and students soon to be added to the working force this summer, both the local and national economic prospects appear to be sound.

Very often it is the man who gives out the jobs who puts the "art" in party.

Nameoki Twp. Rabies Clinic Open Friday

The first of a series of rabies inoculation clinics for dogs will be open tomorrow in Nameoki township, located at the home of Robert Lipscomb, 1708 Courtney Blvd., from 6:30 to 8:30 p.m. to serve residents with pets in Miracle Manor and Bellemead areas.

Township Supervisor Harry Briggs said the inoculation will be given by Dr. D. L. Frazier, county veterinarian, and the fee will be \$2.50 for each dog. On Saturday, the clinic will be located at the Long Lake fire station to serve the Pontoon Beach area, and the hours will be from 10 a.m. until noon.

Dr. Frazier will be in the East Madison area on Friday, May 27, from 6:30 to 8:30 p.m. at the home of Charles Werner, 2070 Sixth street, and on Saturday, May 28, at the State Park Place Community House during the hours 1:30 to 3:30 p.m.

Jubilee Observance By Local Scouts In July

With scouting's golden jubilee (anniversary) being celebrated on July 28 at Colorado Springs, Colo., plans are being completed for special jubilee observances in the Quad-Cities area.

No thinking American wants war, but recent stands taken by Russia hint strongly that the cold war would become hotter except for our weapons of war—the deterrent force of the U. S. military establishment. In the light of threats, the Armed Forces Week theme of "power for peace" takes on new meaning.

A "jubilee camporee" for scouts will be held July 23-24 at Camp Sunmen, Potosi, Mo., to give troop members throughout the council an opportunity to participate in events similar to those at the fifth national jamboree taking place in Colorado. Each troop will demonstrate skills in camping and making camping equipment, and a program of scouting skills will be given by scouts and Camp Sunmen staff members. Each unit, except those in camp during the jubilee period, will provide its own tents and equipment.

To the man whose income hasn't caught up with his ability

Sure—you're on a lot of ways . . . but a dollar still must buy a lot of things—simple things that spell security.

Remember, though, real security means peace of mind so don't sell yourself short on insurance. You don't have to!

Now—you can have the amount of life insurance protection you need today—but, at a price you can afford—today.

How? With Prudential's new Modified Life 5-10 Policy. Here's how it works.

You buy the insurance you need—now. Your premium for the first 5 years will be about one-half . . . for the next 5 years, about three-quarters . . . of the premium

you'll pay after 10 years (when your income has caught up with your ability).

Yet—all the while, Prudential's Modified Life 5-10 Policy is providing your family with the protection you want them to have. And, it even provides an option for retirement security.

Sound good? Sure. And, it makes good sense, too. So, see your Prudential Agent.

GIRL SCOUT LEADERS

MEET AT CAMP LAKOTA

The Girl Scout Territorial Training Committee met at Camp Lakota Tuesday afternoon. Five council, including the Quad-Cities, Edwardsville, Belleville, East St. Louis and the Alton-Wood River Council, attended the meeting.

The purpose was to talk over training needs, to plan courses and to schedule the instruction. The pressing need now is a course for intermediate leaders for fourth, fifth and sixth grade girls in patrol study, badge and rank work, it was announced.

Local council members attending were the president, Mrs. Edna Zimmer, Mrs. Rosella Henderson, Mrs. Edna Forcade, Mrs. Elsie Rodell and Mrs. Shirley Brown. There were 26 present and the next meeting will be held in Belleville in July at Camp Keck.

Danny Lee Harper, son of Mr. and Mrs. Jerry Harper, was christened Sunday at St. Peter Evangelical and Reformed Church on Cleveland Blvd. by Rev. Robert J. Baumann. Godparents are Mr. and Mrs. Coy Vinson.

A christening dinner was held in the Harper home, 1915 Lynn avenue, after the church ceremonies for the godparents, the grandparents, Mr. and Mrs. Clifford Avers and Mr. and Mrs. Paul Harris, the great-grandmother, Mrs. L. J. Whaling, and Mr. and Mrs. George Highfield, Mr. and Mrs. Van Gerkin and children, Vickie, Debby and Brenda, Mrs. Gusie Pierce, Mrs. Charlotte Vincent, Bob Harris, Miss Barbara Ryan, Miss Donna Harper, Kenny Herman, Cliff Avers and the Harper children, Randle and Bobby.

SUMMER EVENTS

FOR PACK 22

On Monday evening at the home of Mrs. Betty Schenker, 2456 Porton road, the den mothers and cubmaster made summer plans for Cub Pack 22 sponsored by Prohart PTA.

An election of officers was held. Mrs. Iris Watson was re-elected as president of the den mothers, Mrs. Peggy James was named treasurer and Mrs. Mary Ann Rohling will be in charge of publicity.

For the pack meeting May 24 at the school, a magician, Larry Boroz, will present a magic act and refreshments will be served by Dens Six, Seven and Eight.

June plans call for a tour of the Museum of Transportation in Kirkwood, Mo., June 9. A pack picnic for the entire families will be held at Cahokia Mounds July 23. There will be no den meetings during the summer, but monthly outings are planned to keep the boys in contact and pack together. The August plans will be announced later.

The hostess served a dinner course to George Glinka, scoutmaster, Mrs. Rohling, Mrs. Rose Douglas, Mrs. Ann Kovach, Mrs. Frances Lippold, Mrs. James, Mrs. Fern Wright, Mrs. Watson and Mary Taroff.

JR. MAECENAS MOTHER-DAUGHTER BANQUET

The Junior Maecenas Society held its annual mother-daughter banquet Monday evening at the Rose Bowl, with Mrs. James DeWitt welcoming the guests and introducing the new officers.

The centerpiece of the table was made of pink roses and aqua spring flowers, with dark green English ivy as background in a milkglass vase. Favors placed before every mother were small er vases filled with ivy and pink sweetpeas and flanked with miniature golden candlesticks holding pink candles. Place cards were made of candy and decorated with pink roses.

The piano was decorated with

aqua candles surrounded with ivy and pink roses in which Mrs. DeWitt played appropriate music while Mrs. James Kahan narrated a hat fashion show. The hats were made from a coffee pot, eggs and egg cartons, carpentry tools, lamp shades, guns, clocks and plugg banks. Club members made the hats, and models were Mrs. Raymond Tadlock, Mrs. William Brewer, Mrs. William Drew, Mrs. Edward Lurton, Mrs. Roger Groffend and Mrs. James Corbin.

A poem entitled "A Home" was given by Mrs. Tadlock, and Mrs. DeWitt read an essay on "What is a Mother?"

Honored guests were Mrs. Vernell Davidson of Eldorado, Ill., Mrs. William Rapp, Mrs. Cloline Corbin, Mrs. Mary Knight, Mrs. Gaeber, Mrs. Charles Miller, Mrs. J. W. Nicholas, Mrs. John Tuncoff and Mrs. Randy Proffitt.

Other Junior Maecenas members present were Mrs. Richard Yates, Mrs. Charles Pritchett and Mrs. Sylvester Duggeroff. This was the last meeting scheduled until fall.

DUAL BIRTHDAY PARTY FOR SONS

Mrs. Marie Lasso honored her sons with a dual birthday party Sunday afternoon in her home, 3236 Carlson avenue.

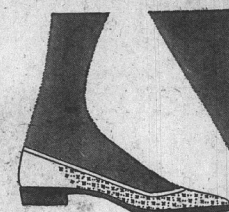

Steven, who was eight, and Andrew, who was seven, had individual birthday cakes inscribed with the name and decorated in a rodeo theme.

Yellow and brown streamers were used by Mrs. Lasso in decorating the rathskeller to carry out the rodeo theme. Games were played with Pat Kewit, Gary Zimmer and Timmy Connolly the winners.

Each child received a lariat, saddle ball and balloon.

Mrs. Judith Strain, Mrs. Mary Lou Phelps and Mrs. Andrew Orsey, the maternal grandmother, assisted Mrs. Lasso in serving the traditional ice cream and cake to Steven Connolly, Carl Lasso, Raymond Schneider, Ronald Larner, David Nolan, Mark Clifford, Michael Hogan, John Petish, Doug Jones, Dickie Ahlers, Hanny Ahlers, David Pieper, Dennis Orsey and Allen Pieper.

The population of the United States 100 years ago was 31,900,000. It has since increased more than five fold.

Two Autos, Truck Involved In Accident

Two autos and a truck were involved in a collision Tuesday afternoon on Pontoon road at Wabash avenue. All three vehicles were traveling east and one was attempting a left turn. Police said there was damage to the rear of the auto of Joyce M. Pirte, 26, of 4904 Hills avenue; to the front and rear of the auto of Eva J. Meyer, 39, of 4708 Lake drive, and to the front of the truck operated by Harvey J. Hicks, 27, of Rural Route One. Hicks was charged with following too closely and was released upon posting his driver's license as bond.

Local Bus Route Changes To Begin Next Monday

Changes in the McKinley and rerouting of East Granite Bridge and East Granite bus routes of Community Coach Co. will be made starting next Monday, extending the regular 20-minute McKinley Bridge route buses from 23rd to 27th street

over 23rd street between Benton street and State street, but during regular 20-minute runs the buses will travel north on Benton to 27th street and then east on 27th to State street and south.

The changeover will begin at 8 a. m. Monday and the daily operation of the McKinley will be over the new routing.

The East Granite via Edwards street bus, on its return to the downtown district, will turn

west off Madison avenue onto 26th street instead of 27th street and will travel to Delmar, also starting on Monday. The reverse routing will be over Delmar to 26th street and then east to Madison avenue and north. The buses will continue on a 30-minute schedule.

The changes are being made at the request of the city council to eliminate the turn off

where new electric traffic signals are to be installed. Short sermon: Do all you can with what you have — and start working at it today.

THE CHURCH AT 22nd and Delmar Ave. invites you to worship this Sunday at 8:30 a.m. or 11 a.m. Give God Sunday.

Why did they put Lincoln's Likeness on the Penny?

It may have been mere chance, but they couldn't have made a wiser choice.

Lincoln was born of humble parents, but he became President of his country. He was born poor, but through energy and thrift, he became well-off.

And there's a lesson in that. While we can't all of us become President, most of us can become comfortably secure if we save regularly and wisely... as Lincoln did.

'Got Locked In Street,' GC Solon Relates

"Did you ever get locked in a street?" The question was asked of Granite City council members Monday night by Alderman Charles Meyer, who said he had the experience a few days earlier on narrow 22nd street between Edison avenue and State street.

As a result of his graphic description of the problem, the city engineer was authorized to prepare plans and cost estimate for widening the block, and other solons are asking the street be widened for its full length—from Monroe street to its end in West Granite—and made a major crossroad thoroughfare with the removal of the numerous stop signs.

Explaining his predicament, Meyer said he was driving in the block, which was narrowed to one traffic lane because of cars parked on both sides. A car came out of the alley to turn onto 22nd street, three more entered from Edison avenue and a few from State street.

"Everything was blocked, and some cars tried backing up, some couldn't, and the only way to unlock the whole thing was for some cars to turn into the alleys."

He requested the problem be referred to the Board of Local Improvements for study, and it was suggested from the floor that the street either be widened or parking prohibited on one side. However, because of the number of business places in the block—a market, barber shop and cleaning establishment—as well as a church, the council decided to instruct the engineer to proceed with the widening plans and not wait for the June 6 meeting of the board. The motion calls for only the one block to be widened, but other solons indicated they would want the project to be expanded to the full length of the street.

Seek State Approval
Placed on first reading were motor fuel tax resolutions setting state arterial street designations for McCasland avenue from West 22nd to Cayuga street and for West 22nd street from Rock road to Leyden and over to Cayuga street.

Another resolution seeks \$70,000 motor fuel tax funds to improve Spruce street from West 20th to Chicago street with curbs and gutters and a 34-foot roadway.

However, Alderman Walter Norm pointed out the estimate was too high, since two blocks included in the proposed resolution already are paved. He also sought changes in the West 22nd street arterial resolution, pointing out the west connection must be with Cayuga street instead of Leyden, since Leyden is not arterial.

For that reason, all three resolutions, which are to be sent to the state highway department for approval, were placed on first reading and will be corrected for the next meeting.

Alderman Meyer asked that Indiana avenue from Benton to St. James street be improved with curbs, gutters and sewer outlets, and the council authorized the engineer to prepare plans.

State OKs Street Work
Notification was received from the state highway department of approval for an estimated \$60,000 program to improve Granite City streets.

City Hall Time Clock

Prices Under Study

Prices of time clocks, proposed several weeks ago for use by city hall office workers, were presented to the Granite City council Monday night by Alderman Paul Rutledge, chairman of the Finance committee, and a resolution was adopted to refer the matter to the Finance and Finance committees for study and recommendation.

The prices, obtained by Comptroller John Dober on the council's instruction, ranged from \$12 to \$350.

The installation was approved two weeks ago at the suggestion of Alderman Earl Van Schmitz after the council engaged in a lengthy debate and decided that any city hall office employee working a seven-hour day should be required to put in eight each day and work a 40-hour week.

An ordinance was adopted that the sewer clerk in the comptroller's office off an hourly rate and placing her on the monthly payroll at \$311, and for the hourly pay for extra clerk hire to be \$17.1½ instead of \$15.00.

Group To Discuss Political Clubs

The fifth workshop of the Tri-Cities Chamber of Commerce course in practical politics will feature political clubs and a case problem—"The Primary Election Nobody Won," John McBride, moderator, said today.

Political clubs will be discussed as to origin, functions, types, how organized and relationship to political parties.

Undergoes Checkup

Mrs. Irwin Frohardt, 2865 Madison avenue, has returned home and resumed her work as secretary in the offices of Central Christian Church, 2020 Johnson road, after undergoing a checkup at Jewish Hospital in St. Louis.

prove Granite avenue and 12th street with curbs and roadways to be financed with MPT funds. The state also notified the city that its contract with Engineer David Johnston for motor fuel tax projects had been approved.

Bids for the city's annual curb and sidewalk repair programs were presented to the council by Alderman Samuel Whittier, chairman of the Street and Alley committee, and were referred to the committee for recommendation.

The bids varied in procedures for setting prices for removal and replacement of curbs and sidewalks and are to be studied to determine the low bidder. Proposals were submitted by A. H. Seebold Co., Ellsworth Concrete Co., E. L. Durbin Co. and Diophila Construction Co. of Venice.

Also under study is a request for an 18-foot driveway at 2304 Illinois avenue, where Cohen's Market is expanding its parking lot. Permission was granted Illinois Power Co. to excavate streets for replacement of gas mains. The work will be along Jill avenue, Lee avenue and 22nd street and along Franklin avenue from Pantown road north to the Miracle Manor area.

Fire House Move

Delayed Another Week

The move to the city's new \$333,000 fire house at 23rd street and Madison avenue was delayed another week as council members failed to take up the acceptance of the building from the contractor as had been planned for Monday night.

The council session went beyond the 11 p. m. curfew to open bids for landscaping the fire house lawn and to approve a \$179 added cost to provide electrical current to gasoline pumps, but Alderman Earl Van Schmitz, chairman of the Fire and Water committee, was unable to bring up the fire house acceptance in the rush for adjournment to avoid continuation of the meeting Tuesday evening.

The acceptance tentatively is scheduled for next Monday.

Bids for seeding the fire station lawn were \$285, submitted by Modern Exterminators, and \$475 submitted by Quad-City Nursery and Landscaping Co. The proposals were referred to the committee for study and recommendation.

Annexation Petitions

Both For And Against

Two petitions—one for and one against annexation—are now on file at the city hall, presented by residents of the Benjamin addition area.

The second petition, with signatures of 47 persons opposing annexation to Granite City, was received during Monday night's council session and is being filed with a companion petition presented at an earlier date by about 50 signers seeking annexation.

Alderman Donald Parney, who has supported the annexation proposal, suggested the new petition be placed on file with the other and also referred to the city attorney for study of the legal description of the area.

He indicated the matter would be given further study before an annexation election is proposed. The area is located on the west side of U. S. Highway 67A from West 23rd street to a point south of the A. O. Smith Corp. plant.

OUR COMMUNITY IS INVITED TOO JOIN IN A ROGATION SUNDAY SERVICE OF DEDICATION OF SOIL AND SEED

AS SUGGESTED FROM A 1500-YEAR-OLD CHRISTIAN CUSTOM ON THIS SUNDAY BEFORE ASCENSION SUNDAY

THE TRADITION OF ROGATION SUNDAY

Throughout the ages man has been conscious of the need to give thanks to God for His bountiful blessings. The word "rogation" means "to ask". The worship of Rogation Sunday goes back 1500 years, when crop failures in France—due to earthquakes and bad weather—resulted in famine. One the three days before the celebration of the Lord's ascension into heaven, the pastor and his people made penitential procession, calling upon God to help and asking for His blessings. The practice was picked up by other communities, and the custom developed.

Today we want to use this coming Sunday as our own Rogation Sunday to implore the mercy of God that He may keep us from all evils of body and soul, and to give to the plants of the field an increase. In the Spring, when the fields are becoming green and there is a promise of a good harvest—but also the possibility of destruction—we set aside this Sunday to pray and to remind ourselves that we feeble people are completely dependent upon the mercies of a gracious God, for it is not the earth alone, nor the busy hand of man on which the increase depends, but it is God who gives the increase.

Four of our farmers will present their seed and soil in the rite of dedication as a symbol of our God's possessing all and of our dependence upon Him.

Moose Lodge To Celebrate 50th Anniversary

A fraternal organization that formerly called its elected leaders "dictators" has lasted in the Quad-Cities for longer than heads of foreign governments with the same title.

The Loyal Order of the Moose, Lodge 272 of Granite City, one of the oldest organizations in the area, will celebrate its 50th anniversary Saturday at the lodge hall at 1900a State street with a banquet and dance honoring all past "dictators" and their successors, as the top officer is now called. Shad Craycraft is the present lodge governor.

The name was changed in 1937 when the term "dictator" became synonymous with titles of several European leaders who were starting to beat the war drums at that time.

It was May 21, 1910, when 41 local men gathered to hold their first meeting at 1320 Nineteenth street over the present Hub Drug Store. From that time the organization has met at four other locations, including the present lodge hall which was purchased in 1947 as a permanent meeting place.

Only Harry Booth and John Tate, both of Granite City, are now living of the original group

MOOSE GOVERNOR Shad Craycraft, who will preside over the Saturday celebration marking the 50th anniversary of the organization in Granite City, but there are 17 past governors. John Holzweg of Venice is the oldest.

Lynch First Dictator
The first dictator was W. J.

Lynch and other officers elected with him were John Ludwig, vice dictator; B. F. Winkler, prelate; Harry Faulkner, secretary; Albert Lennarts, treasurer; Charles Uzzell, sergeant at arms; Charles Dohy, inner guard; Frederick Bucher, outer guard; Charles Uzzell, Michael Brennan and Ernest Vaughn, trustees and Dr. Robert Binney, physician.

Members of the Moose are proud to claim sponsorship of Mooseheart, Ill., a child city where families of deceased Moose members are welcome to live and the children can go to school. One of the past governors, Thomas Mitchell, 1946-47, was a graduate of Mooseheart in 1929.

The women's auxiliary was founded in 1918 and currently has 260 members. The lodge itself has 690 male members and Shad Craycraft is current governor. Mrs. Vada Culpen is senior regent of the auxiliary.

Besides honoring past governors, the celebration Saturday will honor past senior regents and all members with over 20 years membership. Mayne Leonard Davis and a representative of Mooseheart will speak at the banquet.

Quad-City Census Figures To Be Ready Next Week

Preliminary census figures for the Quad-Cities should be available by next week, according to Roland Jung, district supervisor for the census in Madison and St. Clair counties.

Workers in the district office at East St. Louis are now checking "Were You Counted?" forms, which were placed in area newspapers for people not enumerated in the original round of calls census workers started April 1. Jung reported that several persons from this area filled out this form, which appeared in the Press-Record, and sent them in.

"There is still time to be counted if anyone feels he was left out," Jung said. "Just send

the information to our office at 119 Main street in East St. Louis."

All such forms are double-checked to make sure there are no duplications. The preliminary census figure, which may vary slightly from the official count released later in the year, is automatically given to mayors of cities over 10,000, which includes Granite City, but will be given to smaller towns only on request by their heads of government, Jung said.

The Press-Record Census Contest will award prizes according to official figures, to be released from Washington, D. C., and not the preliminary count to be released locally next week.

GCCHS Spring Festival Choral Concert Tonight

Over 300 students will participate in the annual spring festival choral concert to be presented by the vocal music department of Granite City high school in the high school auditorium at 8 p.m. today, Director Warren Simpkins said today.

The six choral groups which are to participate in the program include the advanced mixed chorus, boys' glee club, seventh hour mixed chorus, cantando girls' glee club, fourth hour girls' glee club and the sophomore mixed chorus.

Soloists will include William Evans, bass; Carole McDonald, mezzo-soprano; and Robert Arbogast, tenor. Accompanists for the various groups are Janet Moore, Jean Hinson, Freely Arbelter, Virginia Cant, Mary Cox, Carolyn McRaven and Sharon Cruise.

Outstanding seniors in the vocal music department will be recognized during the program, Simpkins said, with recognition based on musical talent, scholarship, character, cooperation and active and enthusiastic participation in vocal music activities.

The program is open to the public. Admission is 50 cents for adults and 25 cents for students.

Scholarship Foundation Appeals For Donations

Harry Wolff, president of the Granite City Scholarship Foundation appealed today for additional contributions to the foundation in order that the list of students selected to receive \$400 grants this fall will not have to be cut.

Wolff said 350 letters requesting contributions to the scholarship fund have been sent out, and that the returns "are not as good as we had hoped for."

The GCSP has already selected eight deserving students as recipients of the cash scholarships this year, but the foundation currently has funds available for only five such awards.

"We do not want to cut our list, but we may have to unless contributions increase," the foundation president said. He added that contributions should be sent to Robert Spengler, treasurer of the scholarship foundation.

UF Drive To Follow Last Year's Pattern

Tri-Cities United Fund board members are taking steps to select division chairmen and workers for the 1960-61 campaign in October. It was learned today from the local UF headquarters, James L. Hamilton, a vice-president at Granite City Steel Co., is general chairman.

At a recent meeting of the campaign cabinet committee, attended by 17 members, a decision was made to follow the same organization and pattern as in last year's successful drive.

The only change set forth at this time will be in the name of the "continuing gifts division," which will be called the "Employees Division." Other divisions are Industry, Business, Professional, Government and Special Gifts.

Venice School Board Names 1960-61 Guidance Counselor

Miss Morene Groshong, a member of the teaching staff in the Venice schools for the past 27 years, was appointed to the position of guidance counselor within the school district for the 1960-61 school year by the Venice board of education Monday night.

Her appointment creates a vacancy in the social science department at Venice high school, and Supt. of Schools John O. Pier was empowered by the board to seek a teaching replacement immediately.

The salary for the guidance counseling position was not listed by the board in its appointment motion. The school board and a teachers' committee are still negotiating a 1960-61 salary schedule and list of fringe benefits.

Discuss Budget
The board's finance committee met Tuesday night to discuss a budget for 1960-61. An expected board-teachers' meeting is expected to be scheduled.

Problem At Spotlight
The board was informed that alterations and improvements to school crossing signposts on Broadway near the Venice grade-high school building are not yet complete, and that the school is experiencing some difficulty in crossing Broadway.

At a tentative school calendar for 1960-61 was adopted. According to the calendar, the first day of school will be Monday, Aug. 29, and the last day May 26, 1961. The calendar includes 177 days taught and nine holidays.

A report by the township school treasurer showed a balance in the school revolving fund of \$542 as of April 30, and an activity fund balance of \$1531 on the same date.

City Seeks Bids For Police Radios

Bids are to be sought for purchase of six mobile two-way radio units for police vehicles because of a change in the police radio frequency, ordered by the Venice board of police.

The change is to be made by Aug. 1. The call for bids was authorized during Monday night's Granite City council session.

Cost of making the change-over has been estimated at \$3000 to \$5000, and was opposed by Alderman Estill Van Schmitt, who several weeks ago asked the city attorney to write the FCC for an explanation.

City Atty. William Beatty said he was informed an increasing number of radio stations required frequencies to be "split and reassigned," and that Schmitt demands for the FCC to "stop making changes or pay the cost," was unheeded by the federal agency.

Some of the city's newer radio equipment can be converted, it was explained, but the older sets are to be replaced. The police radio also is used to serve fire department, street department and inspection department vehicles, and it was explained other municipalities in the area are being required to make the change.

A resolution was adopted awarding a contract to G. H. Sternberg & Co. for construction of a storm water drainage line in the Melrose area north of West Pantown road. The firm was low bidder in the amount of \$4027 for the project.

Alderman Samuel Whitmer pointed out the start of the project is to be delayed until the funds are allocated in the new 1960-61 city budget. His stand was confirmed by Mayor Davis, who said that was the understanding.

Approval was given for payment of \$96 for repairs to an automobile damaged in a recent collision with a city street department vehicle. The payment was recommended by City Atty. Beatty, who presented two bids for the repairs. The accident involved a city truck operated by Claude Harmon and an auto driven by Mary Castle. The other bid was \$132. The Ray Horn Auto Repair firm was awarded the work.

Autos Collide

A Centralia motorist, Nancy S. Hudson, 18, was charged with failure to yield right-of-way following a two-car accident Tuesday at 22nd street and Edison avenue. She was freed on \$11 cash bail. Police said she was driving west on 22nd street, while Ronald A. Wilbur, 46, of 2617 Iowa street, was traveling north on Edison avenue.

Speeding Ticket

Lester L. Milam, 31, of 1432 Sixth street, was issued an arrest ticket Tuesday afternoon by Granite City police on a charge of speeding on Pontoon road. He posted his driver's license as bond.

Industrial Hygienist Positions Available

An industrial hygienist examination has been announced by the U. S. Civil Service Commission for filling positions paying from \$4940 to \$12,770 a year in various federal agencies throughout the U. S. and in foreign countries. Most of the positions are in the Departments of Navy, Army, Air Force, and Health, Education and Welfare.

No written test is required. To qualify, applicants must have completed college study in engineering, physics, chemistry, or natural science, supplemented by course work in chemistry, or they must have had experience giving them a working knowledge comparable to a four-year college course. For the higher paying positions, applicants also must have had professional experience in industrial hygiene.

Applications will be accepted until further notice and must be filed with the Board of U. S. Civil Service Examiners for Scientific and Technical Personnel of the Potomac River Naval Command, Naval Research Laboratory, Washington 25, D. C. Further information and application forms may be obtained from Vernal Deutschman at the post office in Granite City or from the Civil Service Commission, Washington 25, D. C.

New Member Inducted Into Mitchell Kiwanis

The Mitchell Kiwanis Club saw a film entitled "Away With Fire" at its meeting Monday night at Smith's dining room. The film showed the various types of fire extinguishers and how they work. The club also inducted a new member, Richard Fazizon.

Rabies Shots Saturday At Venice Fire Hall

Anti-rabies shots for dogs will be administered from 4 p.m. to 5:30 p.m. Saturday at the fire hall in the Venice city hall, including a four-week inoculation program sponsored by the cities of Venice and Madison.

Shots totaled 125 in two sessions at the Madison city garage and 56 on May 7 in Venice. The cost is \$2.50, or \$2 for Madison and Venice residents, with the cities making up the remainder. The inoculations are required before city dog licenses are issued.

Dr. Long To Be Venice Commencement Speaker

Dr. Henry J. Long, president of Greenville College at Greenville, Ill., will be the commencement speaker at Venice high school. It was announced today he will address the graduating class during exercises planned for 8 p. m. Thursday, May 26, in the school gymnasium.

Dr. Long, who has been president of the college since 1936, will speak on "Inspiration and Perspiration." Diplomats are to be awarded to a class of about 24 seniors during the evening.

A native of Cashion, Okla., Dr. Long attended the Central Academy and Central College at

McPherson, Kan., taught for one year in a rural school and obtained the degree of bachelor of arts at the University of Kansas in 1920.

He received a master of arts degree from the University of Kansas two years later, and completed work in 1927 for the degree of doctor of philosophy.

Before becoming president of Greenville College, he served first as professor of chemistry and later as executive assistant to the president of the school. Previously, he was instructor in science and mathematics at Central College in McPherson and assistant instructor in

Blair, Harris Grade School Construction 'On Schedule'

The new Blair and Harris school year.

New Pupil Assignments

The school board also approved a change in junior high school district boundaries that determine which grade school the residents of the district attend. Effect of the change will be a larger enrollment in the junior high school program at Dunbar school.

Under the revised pupil assignment plan, all students residing in the Madison school district in an area west of the railroad tracks paralleling State street will attend kindergarten and the first three grades at Blair school, with fourth through eighth grade students being assigned to the Dunbar school.

Only exception to the plan is that students currently in the seventh grade will be allowed to complete junior high school at the location where they presently attend classes. Kindergarten boundary lines between Blair and Dunbar schools also will remain unchanged. The plan is effective on Aug. 29.

Four new teachers were employed by the board, two of them to replace those transferring from Dunbar to Blair school next fall. Employed according to the salary schedule were Mrs. Valerie Hilling, Dunbar fourth grade; David Byrd Jr., Dunbar fifth grade; and Charles J. McCaskill, Dunbar sixth grade. The board had previously employed Miss Peggy Prior as third grade teacher at Dunbar. The fourth teacher employed Tuesday was Miss Mary Malone, Blair school first grade.

The hiring of four new teachers left one vacancy in the system, that of a second grade teacher at Blair school, accepted at the board meeting was the resignation of Mrs. Barbara Huston, fourth grade teacher at Louis Baer school. That position has been filled by the transfer of Sida.

The board also accepted the resignation of Jake Gaines, custodian at Dunbar school, who is retiring effective June 10 of this year.

Mayor Approves Extra Salary Hike

"I've changed my mind," Mayor Davis told Granite City council members Monday night regarding a city contract with the Laborers Union giving a second \$15 monthly differential pay to two street department foremen along with the \$25 regular monthly increase under a two-year contract.

Two weeks ago, the mayor ordered the controller not to pay the extra \$15 differential pay, even though it was set forth in the contract.

At the earlier meeting, most council members had agreed the contract was in error and that in giving \$15 differential pay with the \$25 monthly pay increase last year, it was not to be duplicated this year. The two-year contracts with other unions granted pay increases of a \$25 a month increase.

The mayor pointed out the contract calls for the extra \$15 each year and the city should abide by it. "Morally, maybe not, but technically, yes, I feel the union has done more than its share for the city; more than the dollars amount to. I recommend you give the foreman the extra pay."

The clause for doubling the foreman's differential pay in the two-year contract was overlooked in the agreement with the Laborers, but was stricken from the Teamsters contract when a union official pointed out that it was an obvious error.

One of the two street department foremen is a Laborer Union member, while the other belongs to the Teamsters Union. City Atty. William Beatty said the contract with the Teamsters Union, while set last year, has not been signed, and that payment of the extra \$15 to that employee could be made without difficulty. The monthly pay rate for the two foremen now amounts to \$325.

Charged With Speeding

Gus Pasley, 62, Dies

Suddenly Monday Night

Guy Leonard Pasley, 62, of 2236 Edwards street, was dead on arrival at St. Elizabeth Hospital at 8 p. m. Monday after suffering an apparent stroke at home. An inquiry will be scheduled by Deputy Coroner Henry Cooper.

Mr. Pasley had been watching television in the living room of a home he shared with his sister, Mrs. Mabel Long, and had started to the kitchen when he was stricken and fell. Mrs. Long, who was sitting on the porch, heard him fall and called

an ambulance when she discovered him on the floor.

A native of Readsville, Mo., Mr. Pasley lived in Granite City 46 years and was a laborer, his last job was on a construction project for the local water company. He was a member of Laborers Local 337.

Mr. Pasley also is survived by two sons, Isaac Pasley of Madison and Leonard Pasley of Granite City; 11 daughters, Mrs. Leo (Jessie) Wolz, Mrs. Robert (Bonita) Mayor, Mrs. Earl (Shirley) Wilson, Misses Mary, Darlene and Judith Pasley all of Granite City, Mrs. Homer (Margaret) Hollenbeck, Mrs. James (Dorothy) Smith and Mrs. James (Joyce) Taylor of

Madison, Mrs. Delmar (Helen) Carver of St. Louis and Mrs. Francisco (Macie) Todaro of Framingham, Mass.; another sister, Mrs. Edna Pauline of Sorento, Ill.; two brothers, Isaac and Harold Pasley of Granite City; and 22 grandchildren.

Funeral services were held at 2 p. m. today. Arrangements are given in today's obituary column.

Little Leaguers Open 1960 Season With Parade, Four Games Saturday

A parade including over 600 members of the 52 Granite City park district Little League baseball teams, four regularly scheduled games on the new Wilson Park diamonds and the dedication of a new flag at the diamond sites will highlight the opening of the 1960 Little League season here Saturday afternoon.

Little Leaguers will gather at the city lot at the intersection of 24th street and Madison avenue at 12:30 p.m., with the parade beginning one hour later. It will include a color guard from Veterans of Foreign Wars Post 1320 and a motorcycle of Granite City park board members, city and Little League officials, in addition to the players.

To Present New Flag
The parade will proceed north on Madison avenue, turn left on 24th street and enter the baseball diamond area. Ceremonies there will include presentation of a new United States flag to the Little Leaguers by VFW Post 1320, with the flag to be raised on a newly-installed pole at the intersection of the four diamonds.

Little League division champions formed last season will receive their first place awards. First place Atom, Bantam, Midget and Juvenile division teams also will march at the head of their respective age groups during the parade.

Games are scheduled in all but the Juvenile division following the ceremonies. On diamond No. 1, the Daybreak Optimists will play VFW Post 1320 in a Midget division contest. On No. 2, the Taylor Cart Rodents will meet the Granite City Trust and Savings Bank Hornets in a Bantam division Open Friend league game.

Two Atom division Satty Parker league contests will be played. The Melton Shop will oppose the Western Auto Hawks on the No. 3 layout and Granite City Kiwanis will play the Eagles on diamond No. 4.

Expanded Schedules
The games are the first of 12 which most teams will play this season, as compared to nine last summer.

Park Recreation Director Harold Brown, who is in charge of the program, said league playoffs will be held at the completion of the regular schedule, but that the local Little Leaguers will not be directly affiliated with the Khoury leagues as in years past, and will not participate in post-season area playoffs with other Illinois and St. Louis area teams.

The local Little League organization is made up of 11 Atom division teams, 16 Bantam 17 Midgets and eight Juveniles. One new league within the Juvenile division has been formed this year, and named in honor of Dr. Leo Coleman, local dentist who played a large part in getting the boys' baseball program organized in Granite City. Juvenile division teams will play their opening games on Thursday, June 2.

Hearts Face Tough Foe In State Savings; Mercer Hosts Maryville

Bob Page will get a chance for his fifth consecutive annual victory Sunday afternoon when he starts for Granite City Sacred Heart in an Inter-City baseball contest on diamond No. 1, Jones Park, East St. Louis. Page will oppose State Savings and Loan of that city in an important Red Division contest at 2:30 p.m.

State Savings manager Howard Darrt said early this week that he will probably rely on right-handed Jim (2-1) Spickard in an attempt to break the Hearts' hold on first place in the Inter-City league. The Hearts own a perfect 4-0 record while the East St. Louis team is just one game away from 5-1.

A crucial weekend is apparently in store for the other Granite City 10 representative, Mercer Funeral Home. The Ollie Miller-Dick Portell clan will host the Red Sox at Wilson Park. Mercer leads the Blue Division race with a perfect 4-0 rate, while the Red Sox have yet to get a game in the victory column.

Carpenter and Highland will hook up in a contest which can move one of the two teams out of the Blue division cellar, meeting on the VFW field in Highland. White City (2-2) and Troy (0-1) will meet on Hartman's diamond in Troy in the fourth contest scheduled Sunday afternoon.

McAteer Glass and McMacdon Bull will get the weekend off, but have a night game, the first of the season, scheduled next Saturday night at Fletcher field in Collinsville.

Andy (2-0) Angeloff is scheduled to work for Mercer Sunday against the Red Sox, while Cecil Simpson or Don Lucas is expected to be the Marvyn Manager.

Reed Thomas, Chicago, should be well-rested, having taken last Sunday off to compete in a Chicago bowling tournament.

Page will be starting his fourth consecutive game for the Hearts — he picked up his first win in relief — and his being in the role of an all-around "hurler" will continue until Ronnie Carpenter, currently a busy

former with Washington University's mound corps, becomes available in late June.

Three Records Broken By Coolidge 9th Thinclads

Although compiling only a 1-3 dual meet record this season, Coach Frank Kraus, Coolidge 9th grade track squad was decisively defeated in only one meet and finished high in two invitational meets, review showed this week.

Three team individual records were broken or tied during the week. Larry Noblin threw the discus 106 feet to top the old mark of 99 feet set by Dan Comer. Larry Worham broad-jumped 17-9 1/2, which was better than John Allen's 16-8 leap last year, and Tom Vassileff tied Richard Love's mark in the 50-yard dash with a time of .06.

The Braves were soundly beaten in their first encounter by West Junior high of Alton, 91-13, but came back to win the meet by an almost equally lopsided score, 81-23, over Wood River. The next two dual meets were close losses by identical 54-50 scores to Assumption of East St. Louis and East Junior high of Alton.

In the North Junior high of Alton relays, Coolidge finished second, only four points behind the host school, and in the East Junior high of Alton invitational the Braves placed fourth.

Worham, with 33%, Noblin with 29% were top point getters during the season for Coolidge. Worham was elected honorary captain for the past season by his fellow squad members.

Kraus awarded letters to 11 boys this week. They are Worham, Noblin, Petroff, Vassileff, Bill Ashby, Bill Lancaster, George Moore, Vasil Vanover, Dan Hordesky, Herbert Heaton and Manager Dwight Whitaker.

First expeditions reached the South Pole and the North Pole within a space of only two years.

Roller Skaters Successfully Pass Proficiency Tests

Six local roller skaters have successfully completed proficiency tests in dancing, figure skating and roller hockey. The tests are not mandatory for skaters planning to enter the state roller skating finals near Chicago on June 16. Stoppa's explained, but the highest rating an individual can earn in local proficiency tests, the better his or her chance of entering preferred classes in the state finals.

A total of 22 awards were made this week to the six local skaters and to six from other communities who recently competed here. Judging the local performances were three representatives of the Roller Skating Rink Operators Association of America.

The local winners and their awards were: Frances Barker, No. 3 figure, No. 2 free style and silver dance medal; Linda Scott, No. 4 figure, No. 4 free style and silver dance medal; Maria Culpen, No. 2 dance bar; Mary Kalsch, No. 2 figure and bronze dance medal; Berte Bak, No. 1 figure and bronze dance medal; and Willard Scott, No. 4 dance bar.

The local rink operator added that the higher the number late before an event, the more difficult the class. Miss Scott won a first place state trophy in one classification at the HSRAA finals last year.

Kiwanis Club Plans Barbecue On June 4

Plans for a steak barbecue to be held Saturday, June 4, at the home of a member in La Grange, Mo., were made by the Granite City Kiwanis Club during an evening meeting at the Elks Club here Monday. Members wives' will also be invited.

A delegation of Kiwanians from Alton attended the local meeting, bringing with them a "traveling" game, which is passed from club to club as Kiwanians from one location visit another. Among the Alton members present was John Kinzel, who has 29 years' perfect attendance at Kiwanis Club meetings.

No formal program was presented, but the Alton guests were the local membership on the city manager form of government as opposed to the mayor-council plan. The club will hold no meeting on Monday, May 30, which is decoration day.

Bledsoe Co-Captain Of 1960-61 SIU Wrestlers

Granite City Jim Bledsoe, a student at Southern Illinois University, is one of three prospective seniors who have been elected co-captains of the Saluki 1960-61 wrestling team, Coach Jim Wilkinson announced today.

Stan Bergmeier of St. Louis and Dale Edwards of New Hartford, Mo., are the other co-captains. Bledsoe was also a co-captain of the 1959-60 SIU squad, which won the Interstate conference wrestling championship. He compiled a 11-1 record last winter and won the IIAA 123 pound championship and the NAIA 125-pound national title.

\$40,000 In Scholarships To JA Members Tonight

Fifteen Junior Achievers from eight JA centers located in an area covered by Junior Achievement of the Mississippi Valley, will receive seven college scholarships and eight cash awards valued at nearly \$40,000 tonight during JA's "Future Unlimited" banquet at the Arena in St. Louis.

Included among those who will receive awards are two members of miniature companies at the Granite City JA center, 2009 Madison avenue. Junior Achievement President Wayne Lutyens will make the presentation of scholarships and cash awards. Approximately 200 persons, including Achievers, their sponsors and advisors, are expected to witness the awards.

Following a pattern of holding a particular industry set at the first "Future Unlimited" banquet, tonight's program will pay tribute to the chemical industry. John Gillis, vice-president in charge of marketing for Monsanto Chemical Co., will speak on behalf of the nine

chemical firms to be recognized. General chairman of the banquet, highlight of the year for the 150 JA companies, including the 15 Granite City student firms, is W. R. Parsons, president of Emerson Electric Co.

Scholarship and cash award winners will be notified of their selection at 5 p. m. today. The banquet begins at 6 p. m. with remarks by Gillis, two outstanding Junior Achievers, and the presentations by Lutyens.

The scholarships to be awarded include: four years' full tuition to Westminster College, Fulton, Mo.; four years' full tuition to St. Louis University; four years' full tuition to Maryville College; four years' full tuition to Lindenwood College for Women, St. Charles, Mo.; four years' half tuition to Webster College, Webster, Mo.; four years' half tuition to Fontbonne College, St. Louis; and a five-year full scholarship to the University of Cincinnati through Wagner Electric Co.

GCHS Band Gives Concert Today, Going To Florida

The Granite City high school band presented a concert today at Vigor high school in Mobile, Ala., as part of its annual tour. The group will go tomorrow morning to Pensacola, Fla., for sightseeing and swimming in the Gulf of Mexico.

Returning Friday night to Mobile, the band will leave there by train about noon Saturday, arriving in East St. Louis at 8 a. m. Sunday and by bus at Granite City high school at 9 a. m.

The group of over 100 band members, teachers and parents left by bus from the local school area, then departed from East St. Louis late Tuesday afternoon. Yesterday was spent sightseeing in the Mobile area.

Band Director Louis E. Meek is in charge of the tour. The group of about 85 musicians includes sopranos, juniors and seniors who qualified by meeting all standards set up for band members.

PRESENTING MINK STOLE

Mrs. Norma Chapman is Kroger Store Manager Joseph Petrait, Tuesday. Mrs. Chapman won the stole because her husband answered a question in a contest sponsored by a sugar company.

Husband Knows Flowers, Woman Wins Mink Stole

Because her husband knew the name of the national flower of Hawaii, the Hibiscus, Mrs. Norma Chapman, 2213 Miracle avenue, became the second local woman in two weeks to be the proud owner of a mink stole.

Guy Chapman, who works for a Washington Park electrical firm, answered the key question asked last week-end won the stole for his wife. A sugar company sponsored the contest.

Mrs. Chapman received the coat Tuesday from Joseph Petrait, manager of the Kroger store on Nimesse road, where she trades. Mrs. Hetti Boyer, 1536 Johnson road, won a stole in the same contest last week.

In both cases, in order to be eligible to answer the main question, the contestant had to first identify the home economist of the sugar company, the answer being on the back of each sugar package sold in local stores. The answer to the second question depended on the contestant's own knowledge.

Church Will Hold Scout Award Service

God and Country scouting awards will be presented at a Trinity Methodist Church, 254 East 25th street, to four members of Boy Scout Troop II Sunday, May 22, at 7:30 p. m.

The boys, Allen Charbonnier, Gerald Hefferty, Gary Morris and Roger Santiago, have just completed one year's work for the award. Rev. Bryant, who will be in charge of the service, extends a welcome to all to attend.

Girl Scout Leaders Complete Basic Course

Thirty-nine Girl Scout leaders have completed a two-week basic outdoor course at Camp Lakota near Glen Carbon, the Tri-City Council announced today. Included were instructions in knot-tying, leashing and tent pitching as taught by Mrs. Judy Stille, Mrs. Rosella Henderson and Mrs. Shirley Brown, trainers.

Leaders were taken to and from the campsite each day of the course by jeep, and cooked the noon meal each day at Camp Lakota. Those completing the course were: Mrs. Dorothy Bunce, Mrs. Harriet Byers, Mrs. Lois Daniel, Mrs. Barbara Davidson, Mrs. Florence Deatherage, Mrs. Rose Drake, Mrs. Dolores Euhans, Mrs. Kathleen Fallis, Mrs. Edna Forcade, Mrs. Eleanor Gallis,

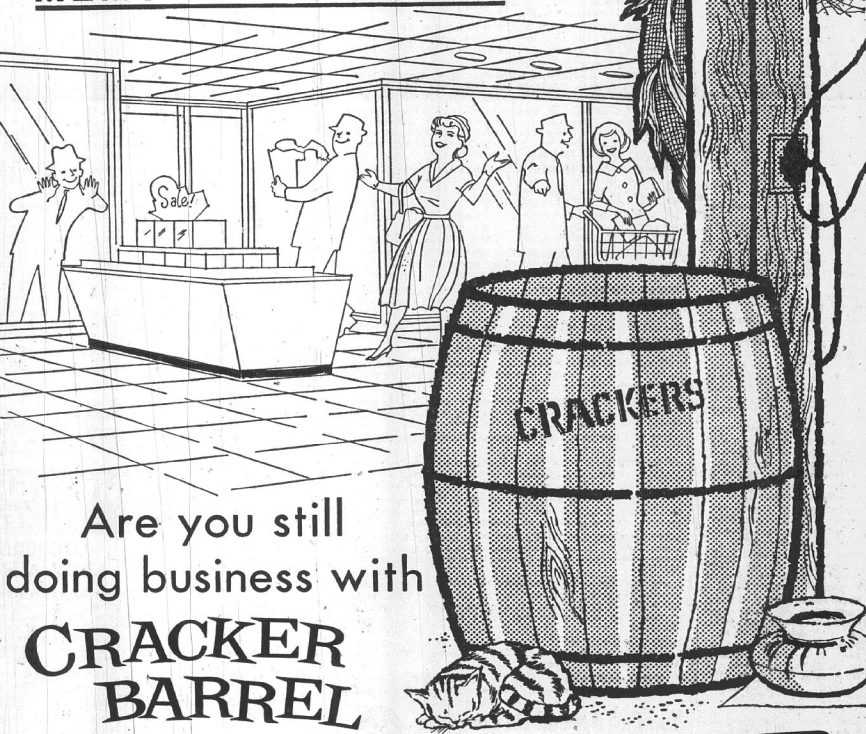

Mrs. Ethel Gettleman, Mrs. Mae Catfired, Mrs. Ann Grant, Mrs. Kathryn Gray, Mrs. Sophia Green, Mrs. Dorothy Homan, Mrs. Wanda Joyce, Mrs. Frieda Kerfoot, Mrs. Mary Knight, Mrs. Louise Koester,

Mrs. Corrine Kreher, Mrs. Margorie Lebane, Mrs. Wilma McQuinn, Mrs. Zeila Mell, Mrs. Helen Meredith, Mrs. Mary Mikovich, Mrs. Betty Proffitt, Mrs. Elsie Rodell, Mrs. Helen Santiago, Mrs. Jeri Schish, Mrs. Mary Stagle, Mrs. Doris Stoltz, Mrs. Peggy Thomason, Mrs. Lois Tonsor, Mrs. Laura Travis, Mrs. Norma Walton, Mrs. Phyllis Wiggins, Mrs. Pat Weich and Mrs. Helen York.

Vandals Deflate Tires

A Mrs. Stipe of the 1100 block of Kirkpatrick Homes reported to Granite City police Tuesday morning that vandals had deflated the tires on her automobile by removing the valve cores.

MEMO TO BUSINESSMEN

Are you still doing business with CRACKER BARREL WIRING?

You may have invested in remodeling to make your place of business the last word in modern appearance... but how about your electric wiring? Does it date back to the "cracker barrel" era?

Surprisingly enough, many businesses are still trying to get along with wiring installed long before the days of air conditioning, modern lighting, electric office machines and power tools.

Old-fashioned wiring is too skimpy to deliver the power you need for all these modern electrical business servants. And overloading your wiring is bad business.

What to do. Call a consulting engineer. He will survey your needs and make recommendations and cost estimates regarding the modernization of your wiring system. Don't put it off... there's no better investment you can make in the future of your business.

Electrical wiring is not seen but is important to the efficient operation of your electrical equipment.

PLAN POOL OPENING

The Paddlers board of directors met Monday evening at the pool, 2121 Johnson road, to prepare final plans for opening-day ceremonies May 30. An executive board meeting was held prior to the directors' meeting with President Francis McBride in charge.

The opening program and work being carried out were discussed in detail. Every member is being asked to work during the next two weeks in order to have the pool and grounds ready for the opening. Paul Morris and Dick Pittenger will be there every evening after 6:30 and Saturday and Sunday after 9 a.m. to direct the work. No skilled aid is needed.

Board members present included Ralph Schmid, Bob Stone, Homer Johnson, Mrs. Donna Hogan, Miss Dolores Bourisav, Mrs. Vyvynne Durbin, Mrs. Jewell Easer, John Bonedarg, Mrs. Eunice Hagler, Mrs. Charlene Vukovic, Victor Shanta, Horace Calvo and Keith Parker.

BUBBLEMASTERS MAKE SUMMER PLANS

The Bubblemasters, an adult scuba diving club of the Granite City area, held a regular meeting Sunday afternoon at the local YMCA. Al Mueller, president, announced that plans are nearing completion for a soda stand concession to be operated by the club at the July 4 celebration at Wilson Park. A demonstration of scuba diving is to be given July 3 as part of the park program.

Jim Jones was elected vice president due to a vacancy in that office.

Summer plans call for a night training session at Wilson Park, an open lake dive for the newcomers and the present class now being conducted at the "Y" by the president and Ron Hoemaker; an underwater training film to be made; a swim party for the entire families; trips to Robin Hood, Little Grass, Lake of the Ozarks and Bull Shoals; and a banquet as the final club member participation event in late September.

Hoemaker announced that the compressor is now installed in his home, and members and their friends may obtain air for their tanks there instead of having to make a trip to Alton or St. Louis.

An invitation was read by

To Discuss Salvation Army Post Auxiliary

The prospects of establishing a women's auxiliary to the Granite City Salvation Army post will be discussed here with interested persons when Lt. Col. Agnew, divisional honor league secretary of the Salvation Army in St. Louis, speaks here on Tuesday, May 31.

Plans for the session were made during a meeting of the Salvation Army advisory board at noon yesterday with Chairman Irby Todd presiding.

It was pointed out that an auxiliary would be to provide clothes for children, make cancer dressings and provide services to nursing homes and military hospitals.

A memorial service for the late Elmer Kelly of Madison, former advisory board and "Tree of Lights" committee member, was conducted by Roy Lynn. Capt. Mildred Walker, commander of the local Salvation Army post, announced that the post has \$72 in its building fund.

Baccalaureate Service At MHS Sunday Evening

Baccalaureate services for the 1960 graduating class of Madison high school will be held Sunday evening at 8:30 in the high school auditorium. Rev. Vitaly Woszczulski, pastor of the Eastern Orthodox Catholic Church of the Nativity of the Virgin Mary, will preside.

Rev. Woszczulski will offer the invocation following a procession by members of the 1960 graduating class. A congregational hymn, "Faith of Our Fathers," will follow.

The high school choir will sing

THE CHURCH AT 22ND and Delmar Ave.

Reminds You To Give God Sunday In Worship

"I Believe," after which Rev. Woszczulski will read from the scriptures. The high school choir will offer a choral response following Rev. C. M. O'Guin, pastor of Trinity Lutheran church.

Rev. O'Guin will deliver the sermon, entitled "A Sense of Destiny," followed by "Almighty God of Our Fathers," as sung by the high school choir. Rev. Woszczulski will pronounce the benediction immediately prior to the recessional by the senior class.

The public is invited to the service.
